CYBER YODDHA

Episode 1: Invisible War

OPERATION
SINDOOR

Special Edition

About Comics

Cyber Yoddha brings the hidden battles of the digital world to life through storytelling and visuals.

At its heart is the Deshmukh family, a middle-class Marathi household, who discuss cybercrime and the realities of cyber warfare.

The mission is simple: make cyber safety easy to understand, remember and practice. By presenting complex issues in a comic format, Cyber Yoddha builds awareness, encourages safe online habits and guides citizens toward timely help through Helpline 1945/1930 and www.mhcyber.gov.in

More than entertainment, Cyber Yoddha is a tool of empowerment. It helps readers recognize scams, strengthen digital trust and inspires youth toward ethical careers in cyberspace—shaping a safer digital society for all.

About Mahacyber

Established in 2016, the Maharashtra Cyber Department is at the forefront of combating cybercrime in Maharashtra. As one of India's pioneering dedicated cybersecurity departments, MahaCyber employs a multi-faceted approach to address the growing menace of cyber threats. Our focus encompasses the detection, prevention, and prosecution of cybercrimes, as well as fostering cybersecurity awareness among Maharashtra's citizens.

Cyber Yoddha

Episode 1: Invisible War

Edition:01

Inside the Deshmukh house in Dadar...

Col Prabhakar Deshmukh (Retd.), veteran of the 1971 war.

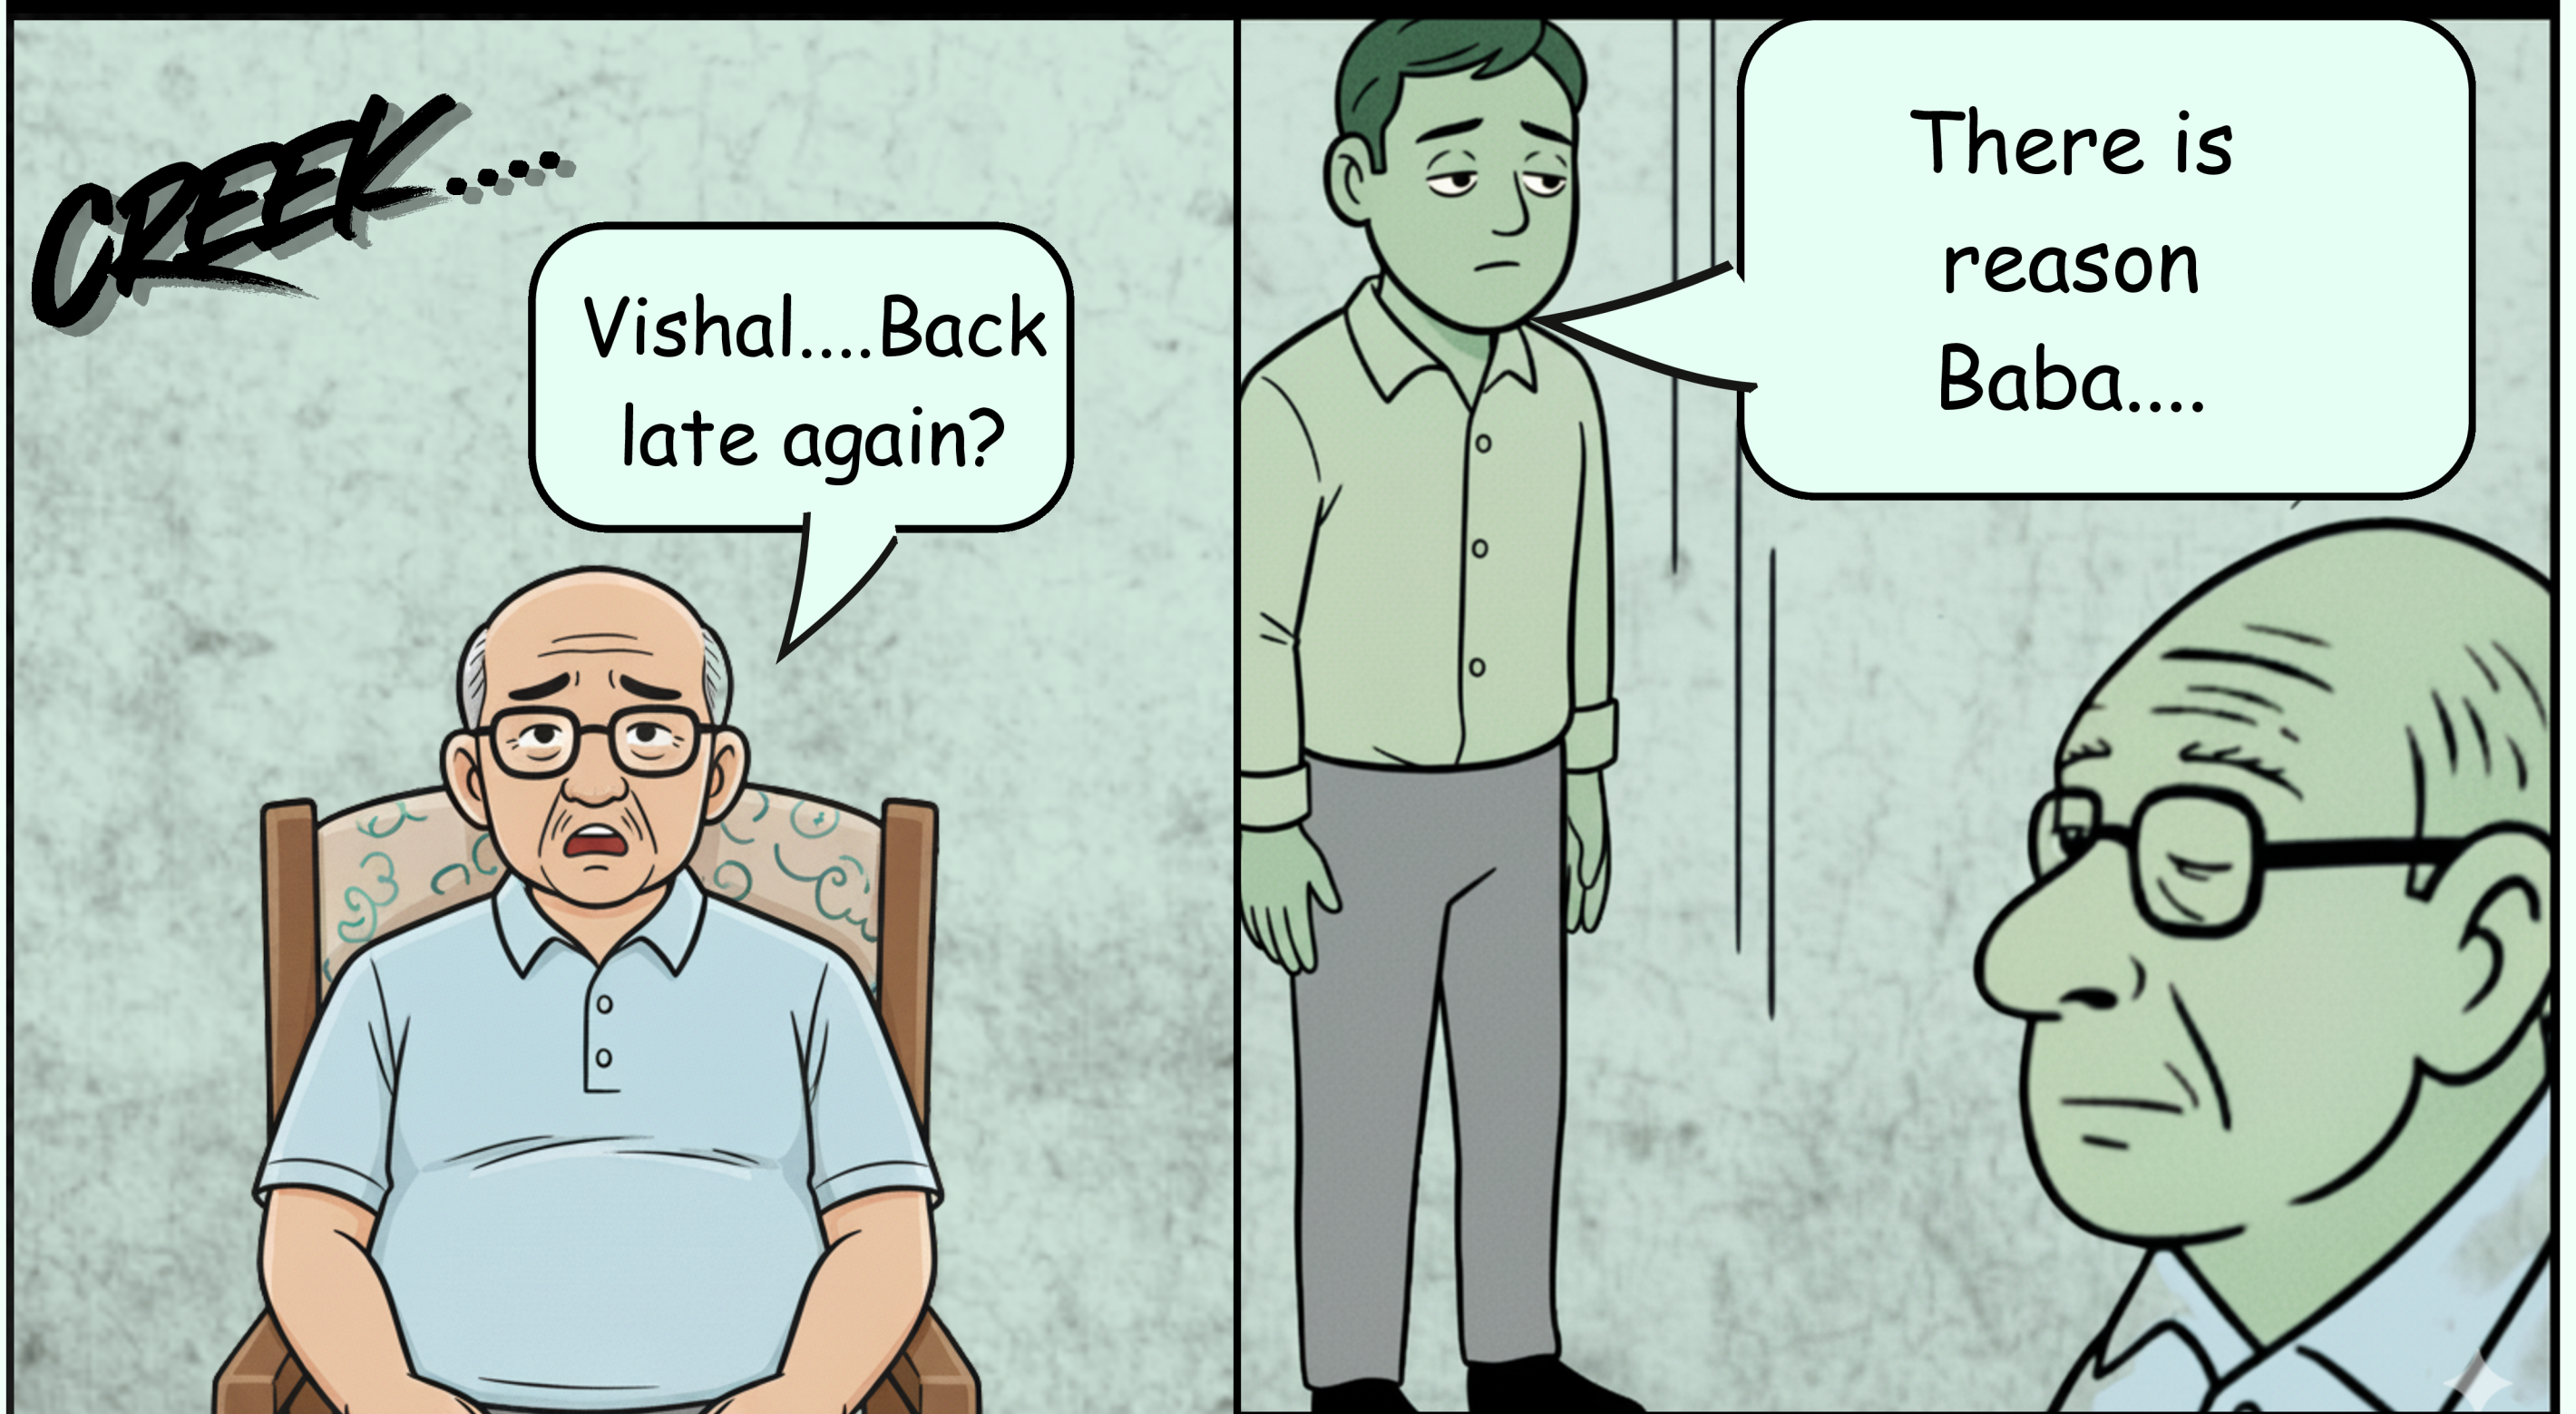

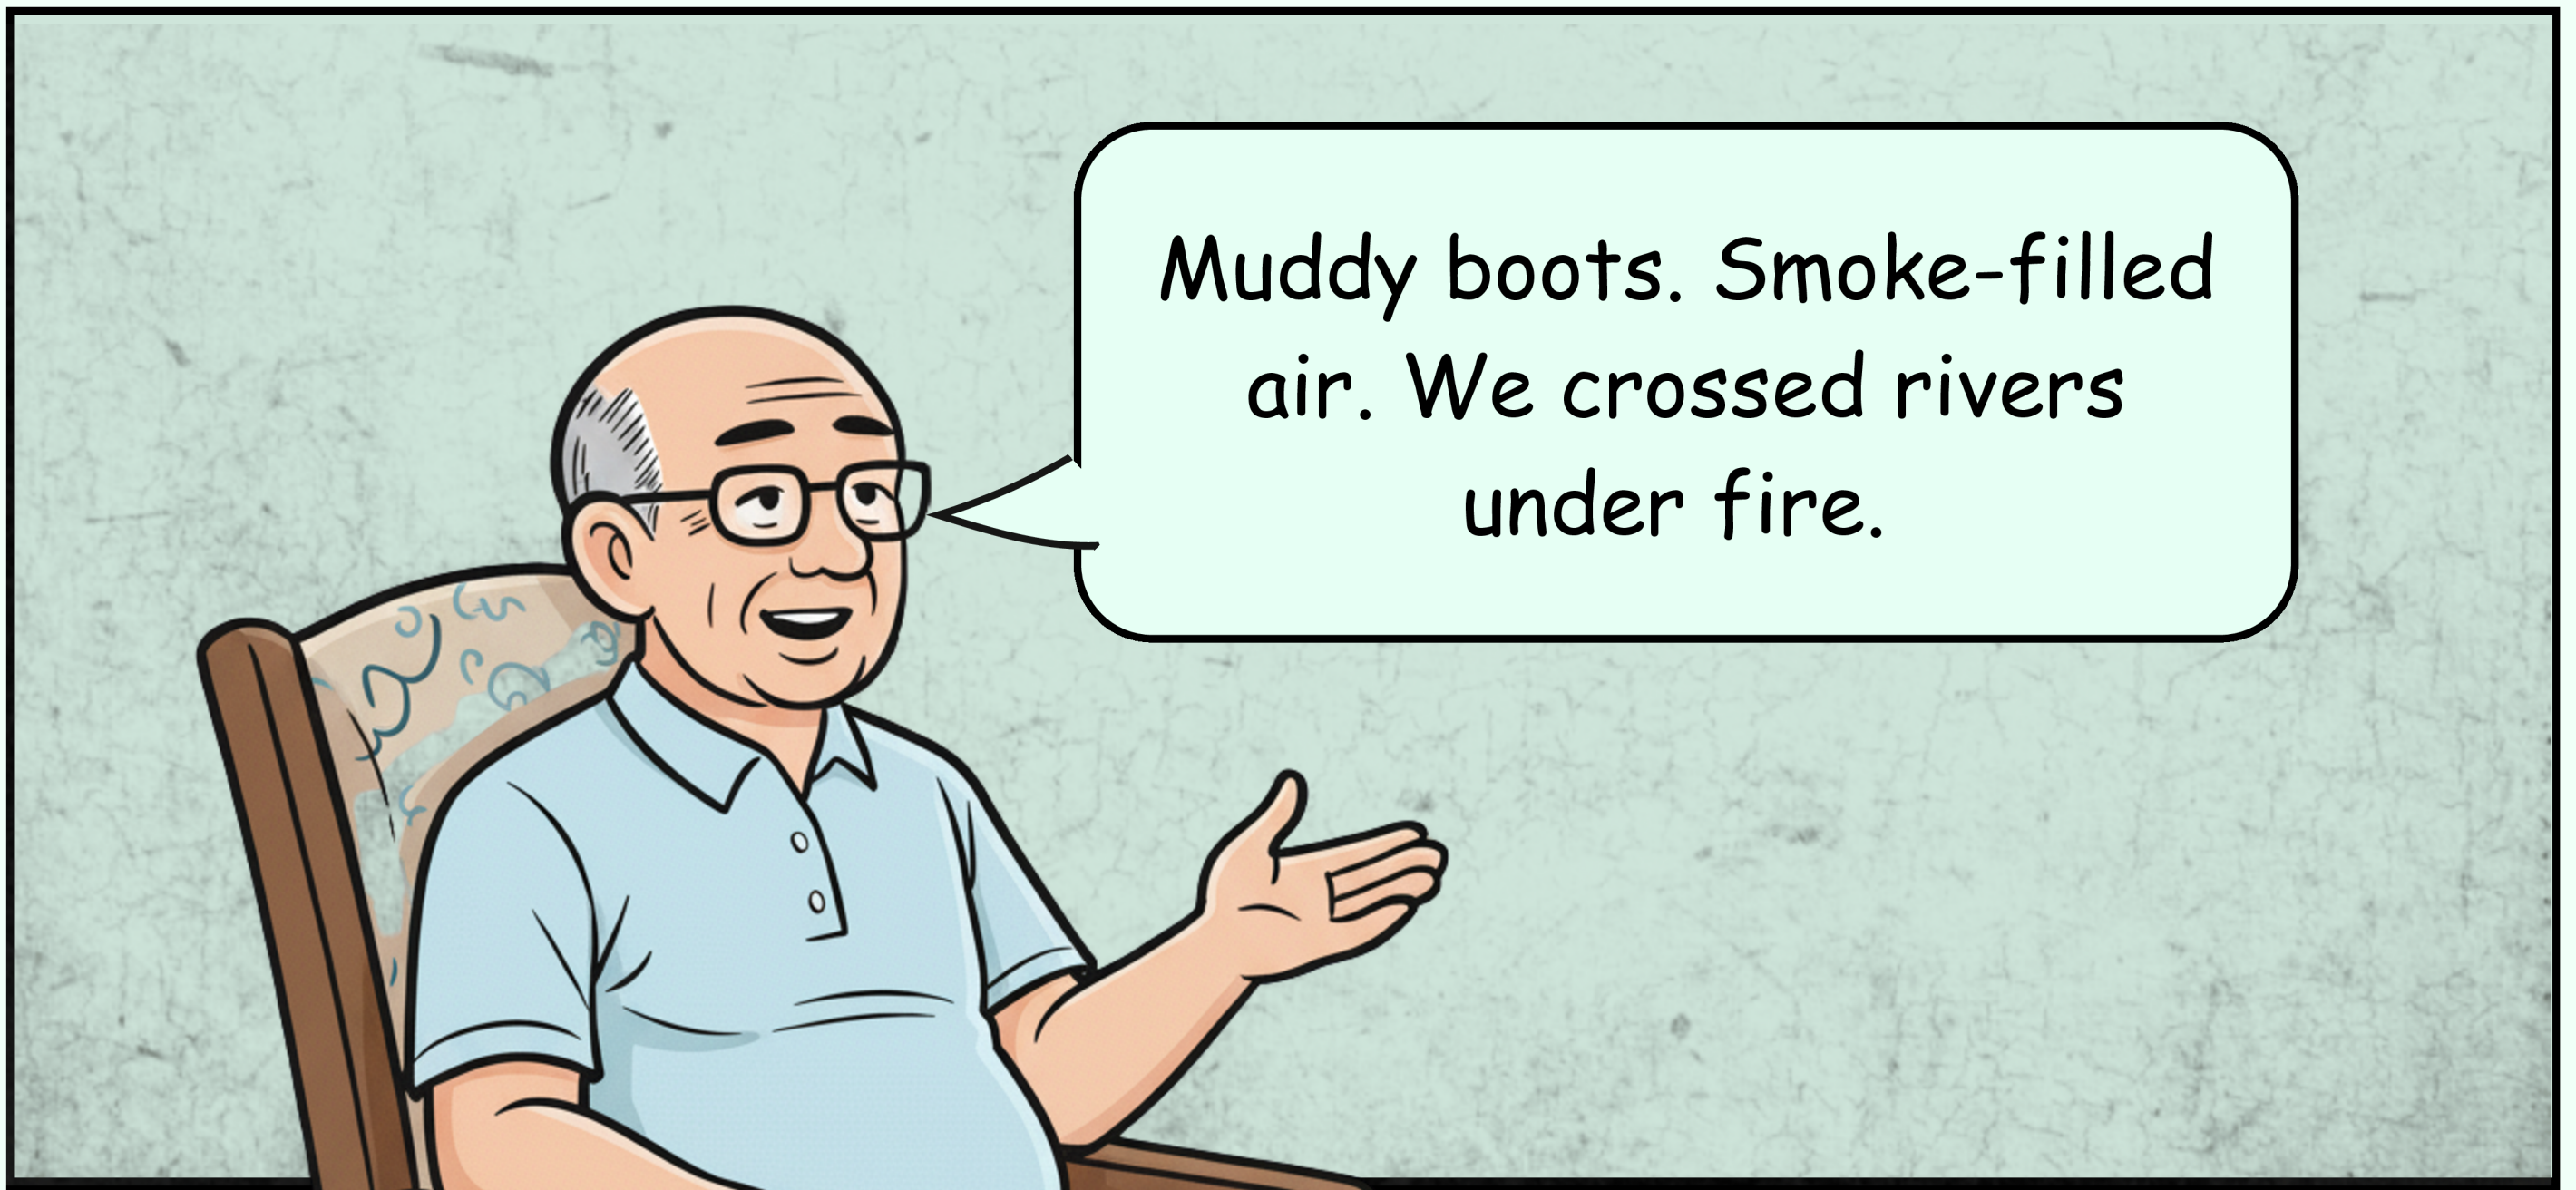

Across the room, 12-year-old Aduit watches cartoons on TV, while 10-year-old Siya plays with toy blocks.

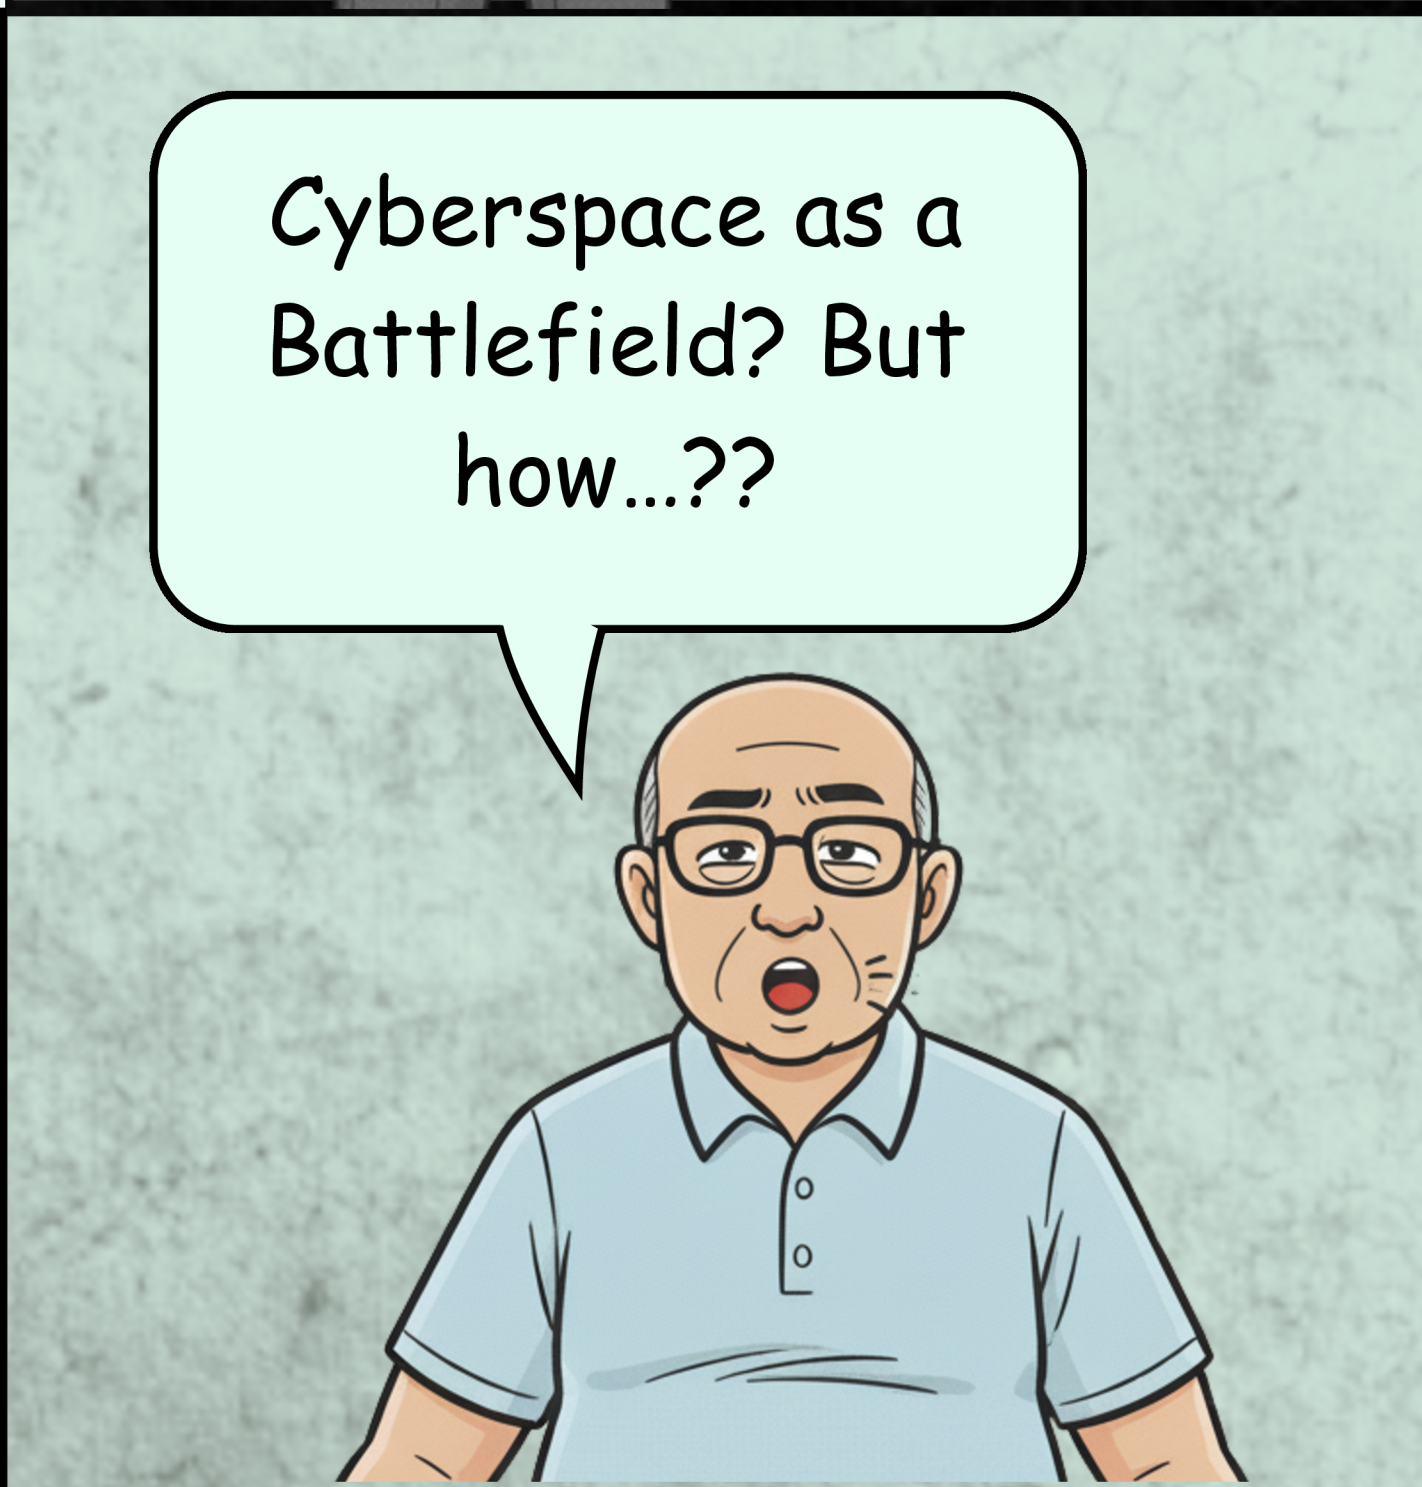

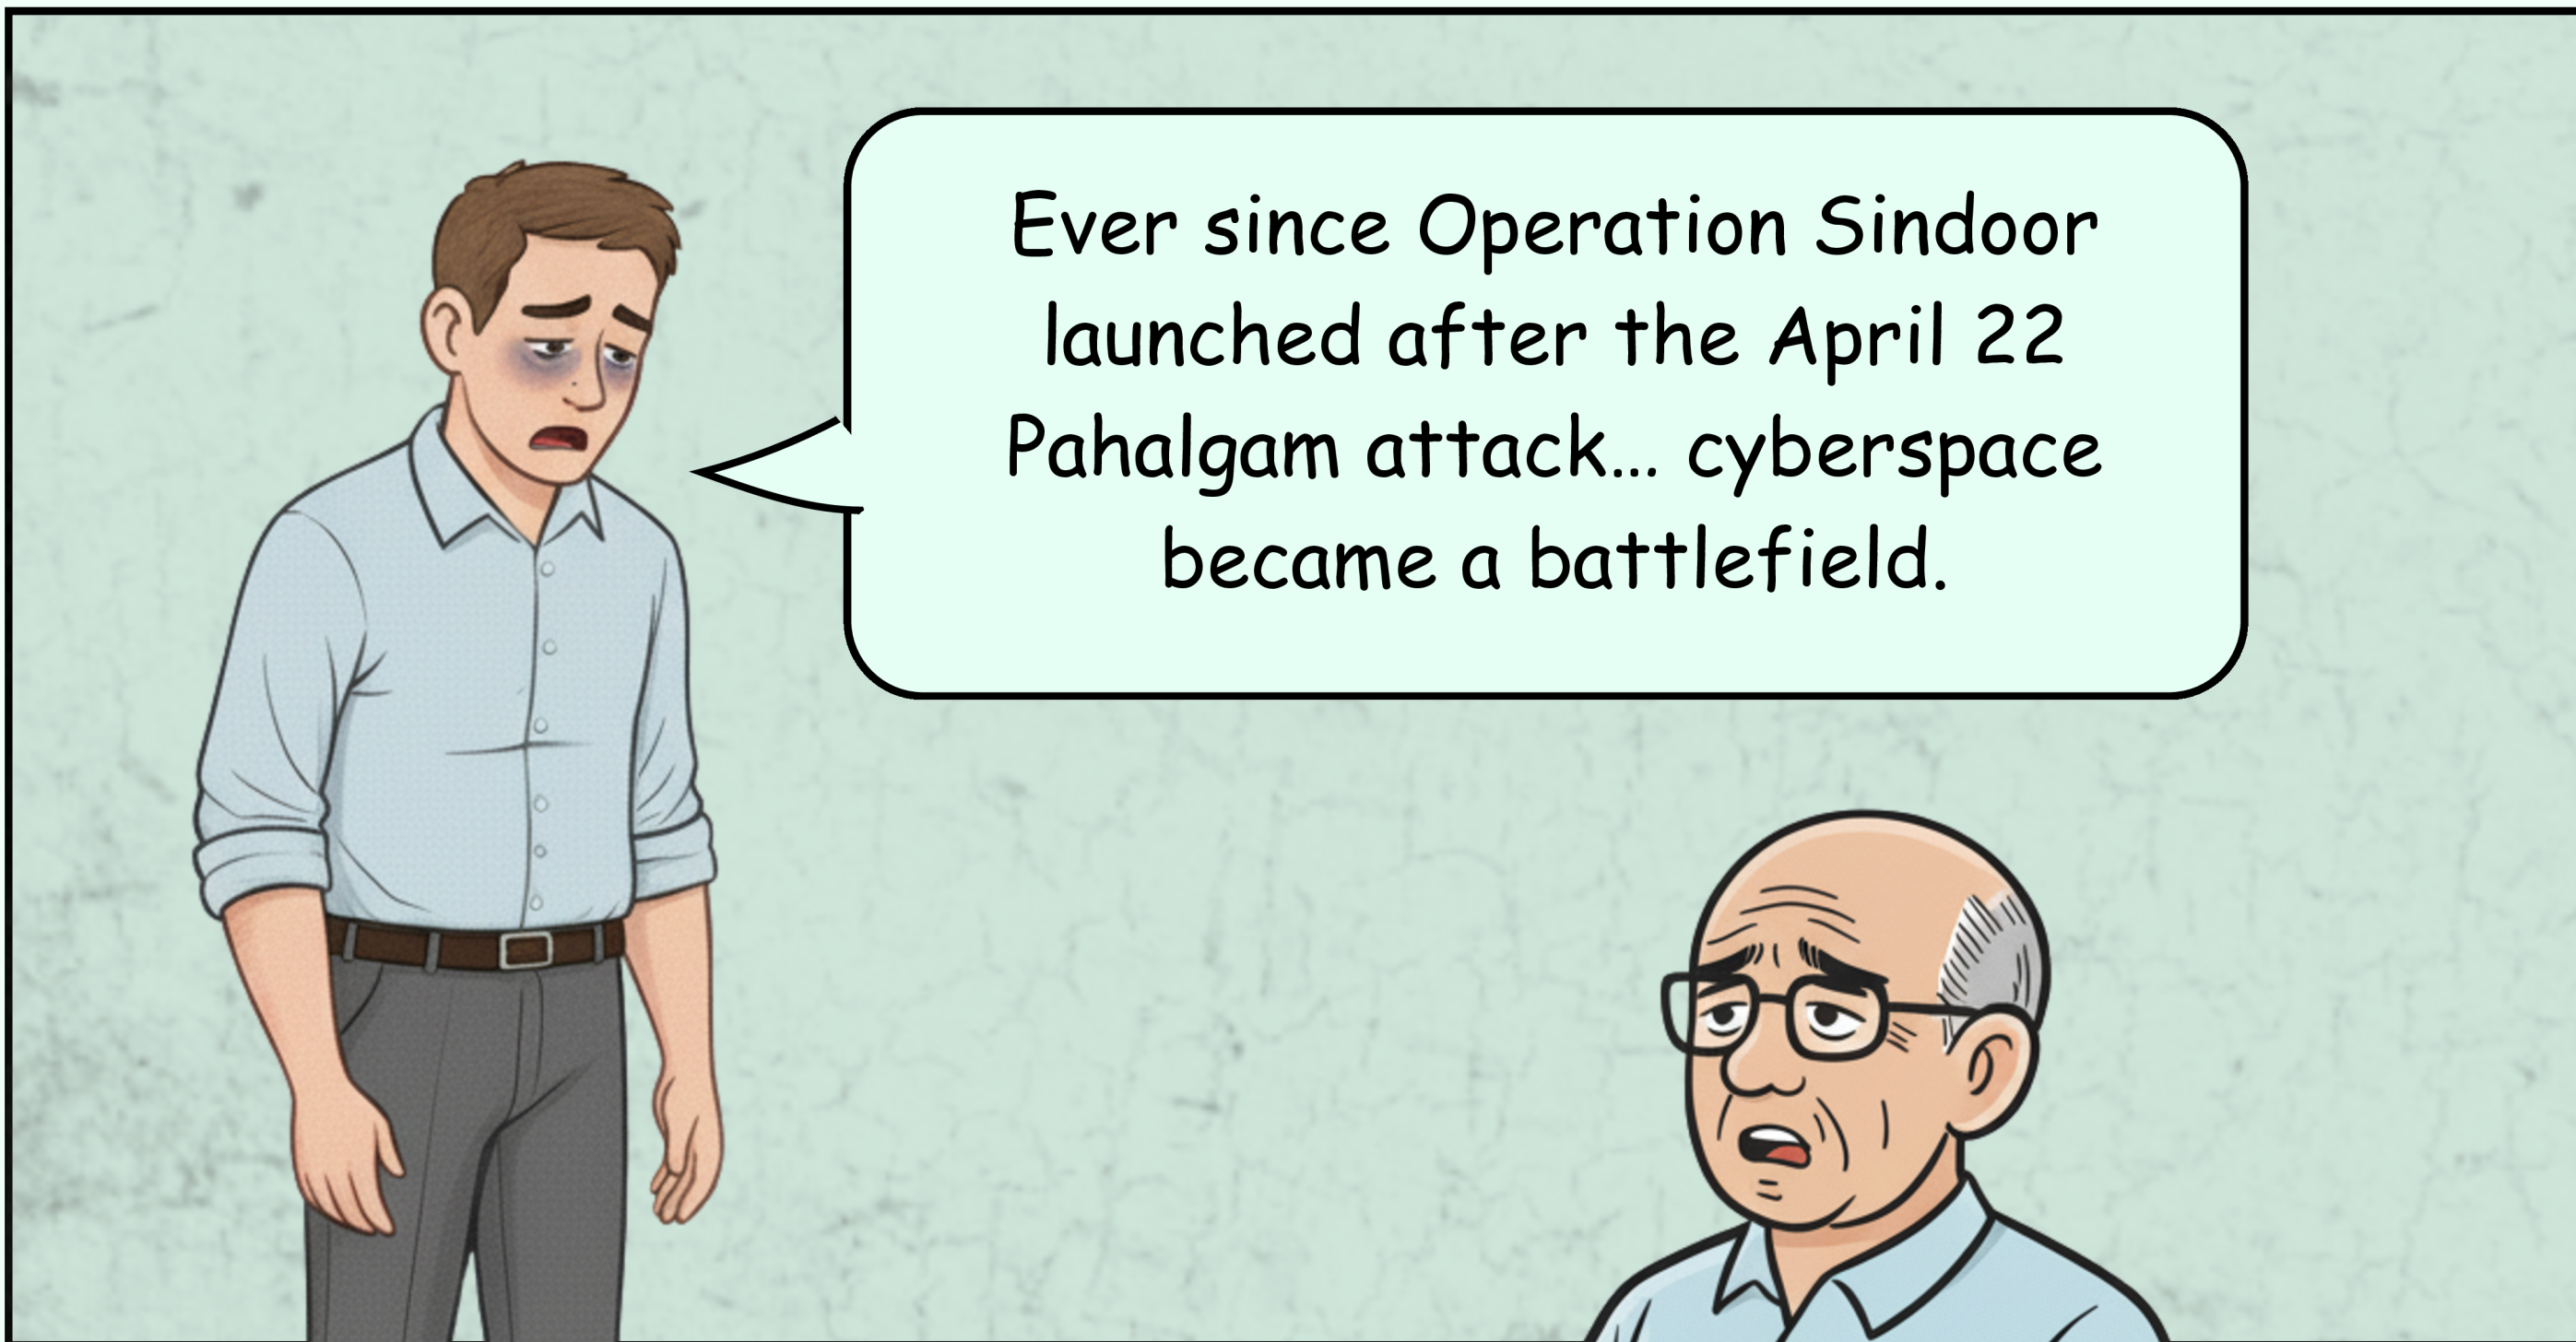

Ajoba, what was your war like?

Yes...More than 60 lakh attacks. Just weeks apart.

Mostly from across the border... and beyond.

Hmmm...In my time, we had trenches and bunkers... now you fight with bandwidth and firewalls."

And faceless enemies, Baba. Silent and invisible.

For Cybercrime complaints: Call 1945/1930 or log on to mhcyber.gov.in

If they had succeeded... India could've gone dark

But we didn't
let them

Our cyber
team held
the line....

Maharashtra state has also launched a dedicated cybercrime helpline-1945.

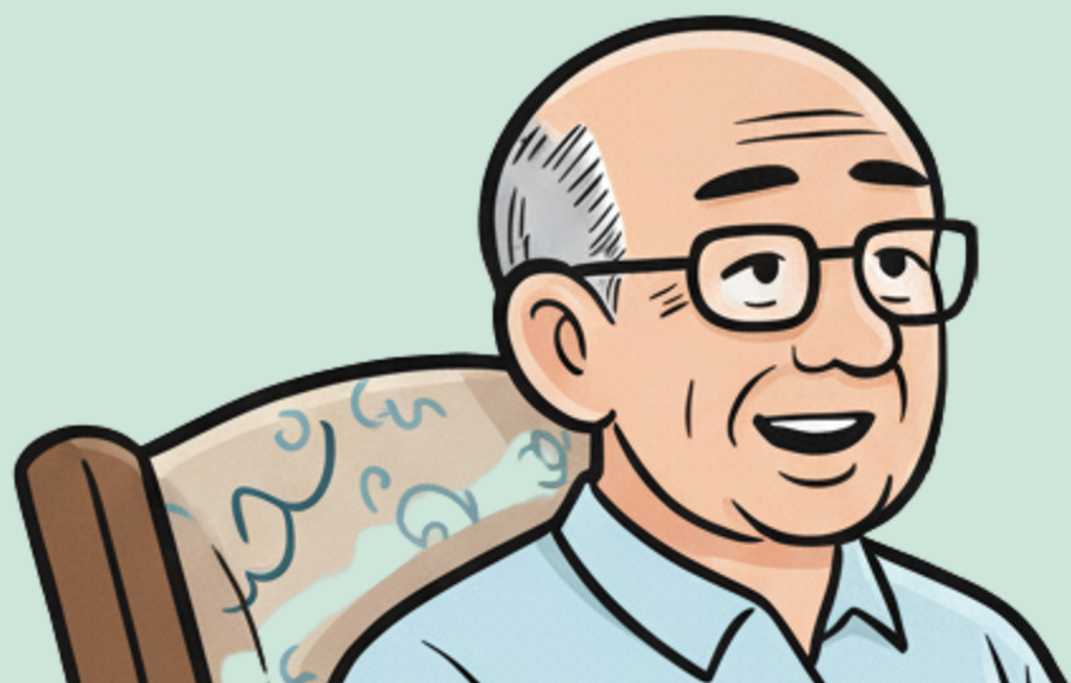

Maharashtra
cybercrime
helpline - 1945

Anyone in Maharashtra can report a cybercrime instantly.

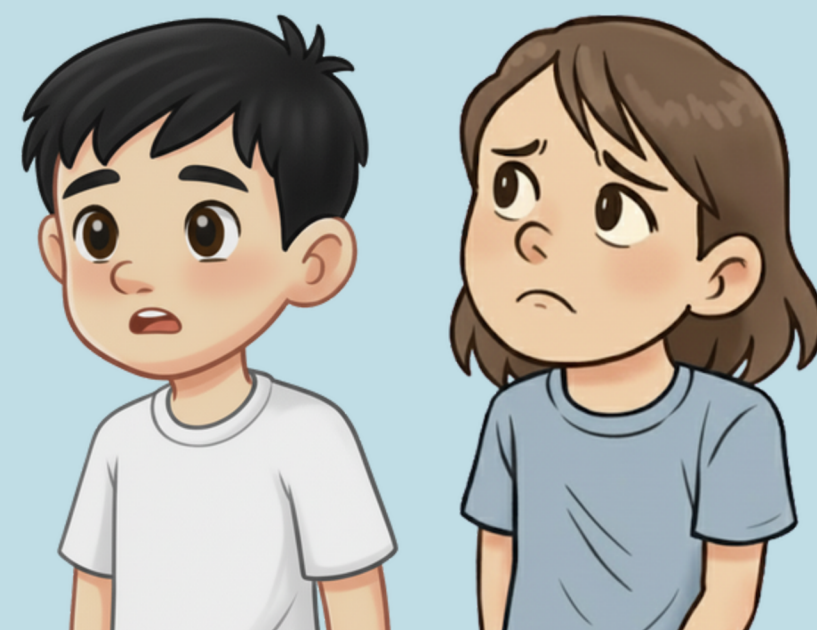

No uniform. No gun.
But the same bravery.
You're a soldier too, beta.

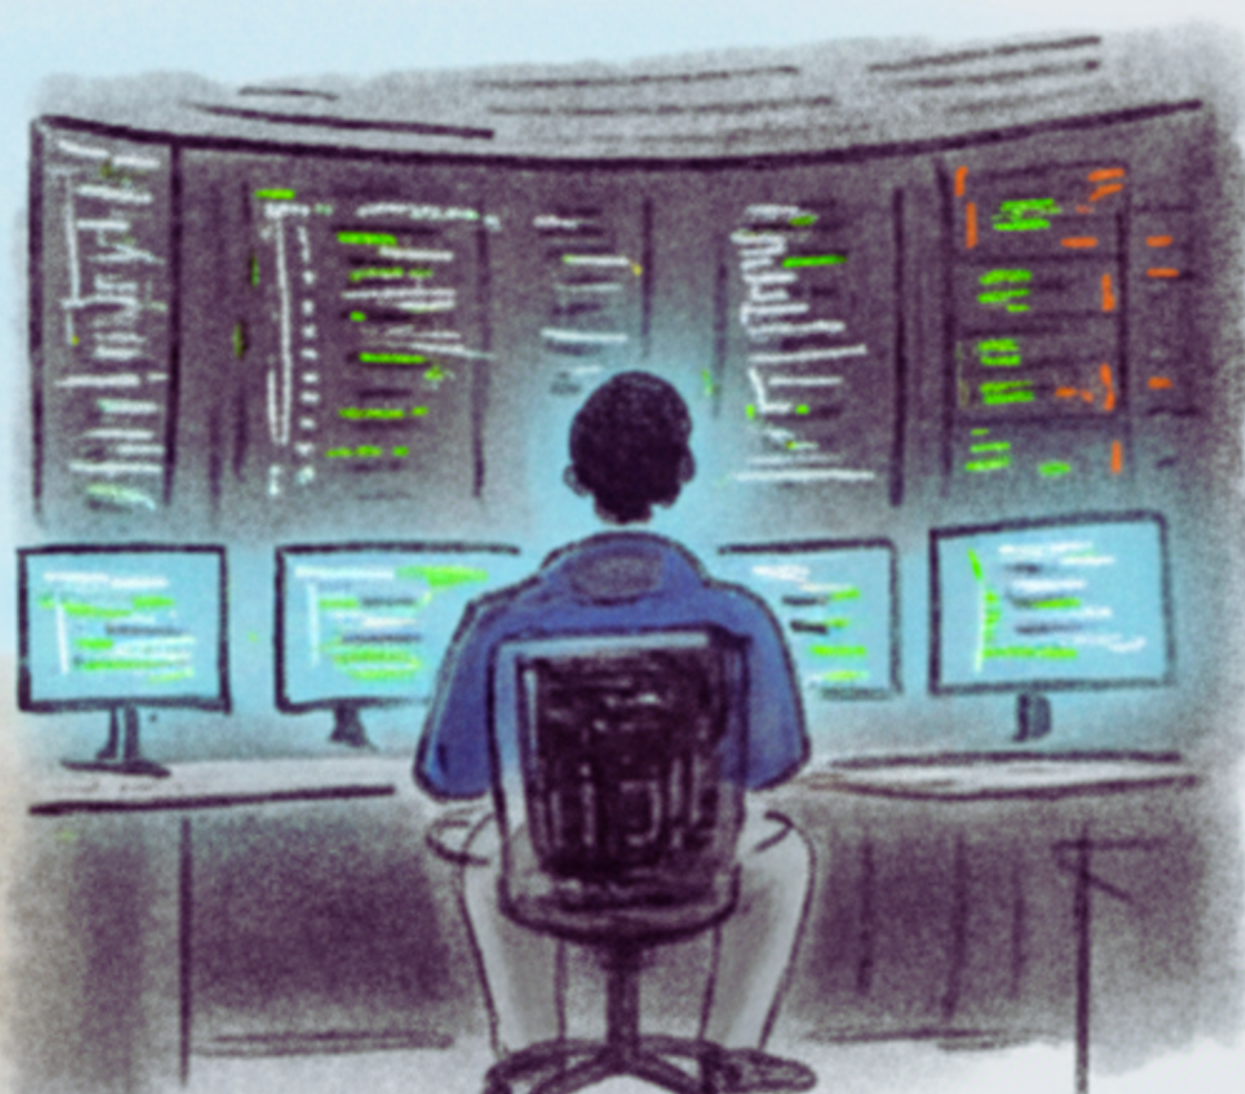

For Cybercrime complaints: Call 1945/1930 or log on to mhcyber.gov.in

In today's era, the battlefield
has shifted—from trenches
to terminals, from bullets to
firewalls.

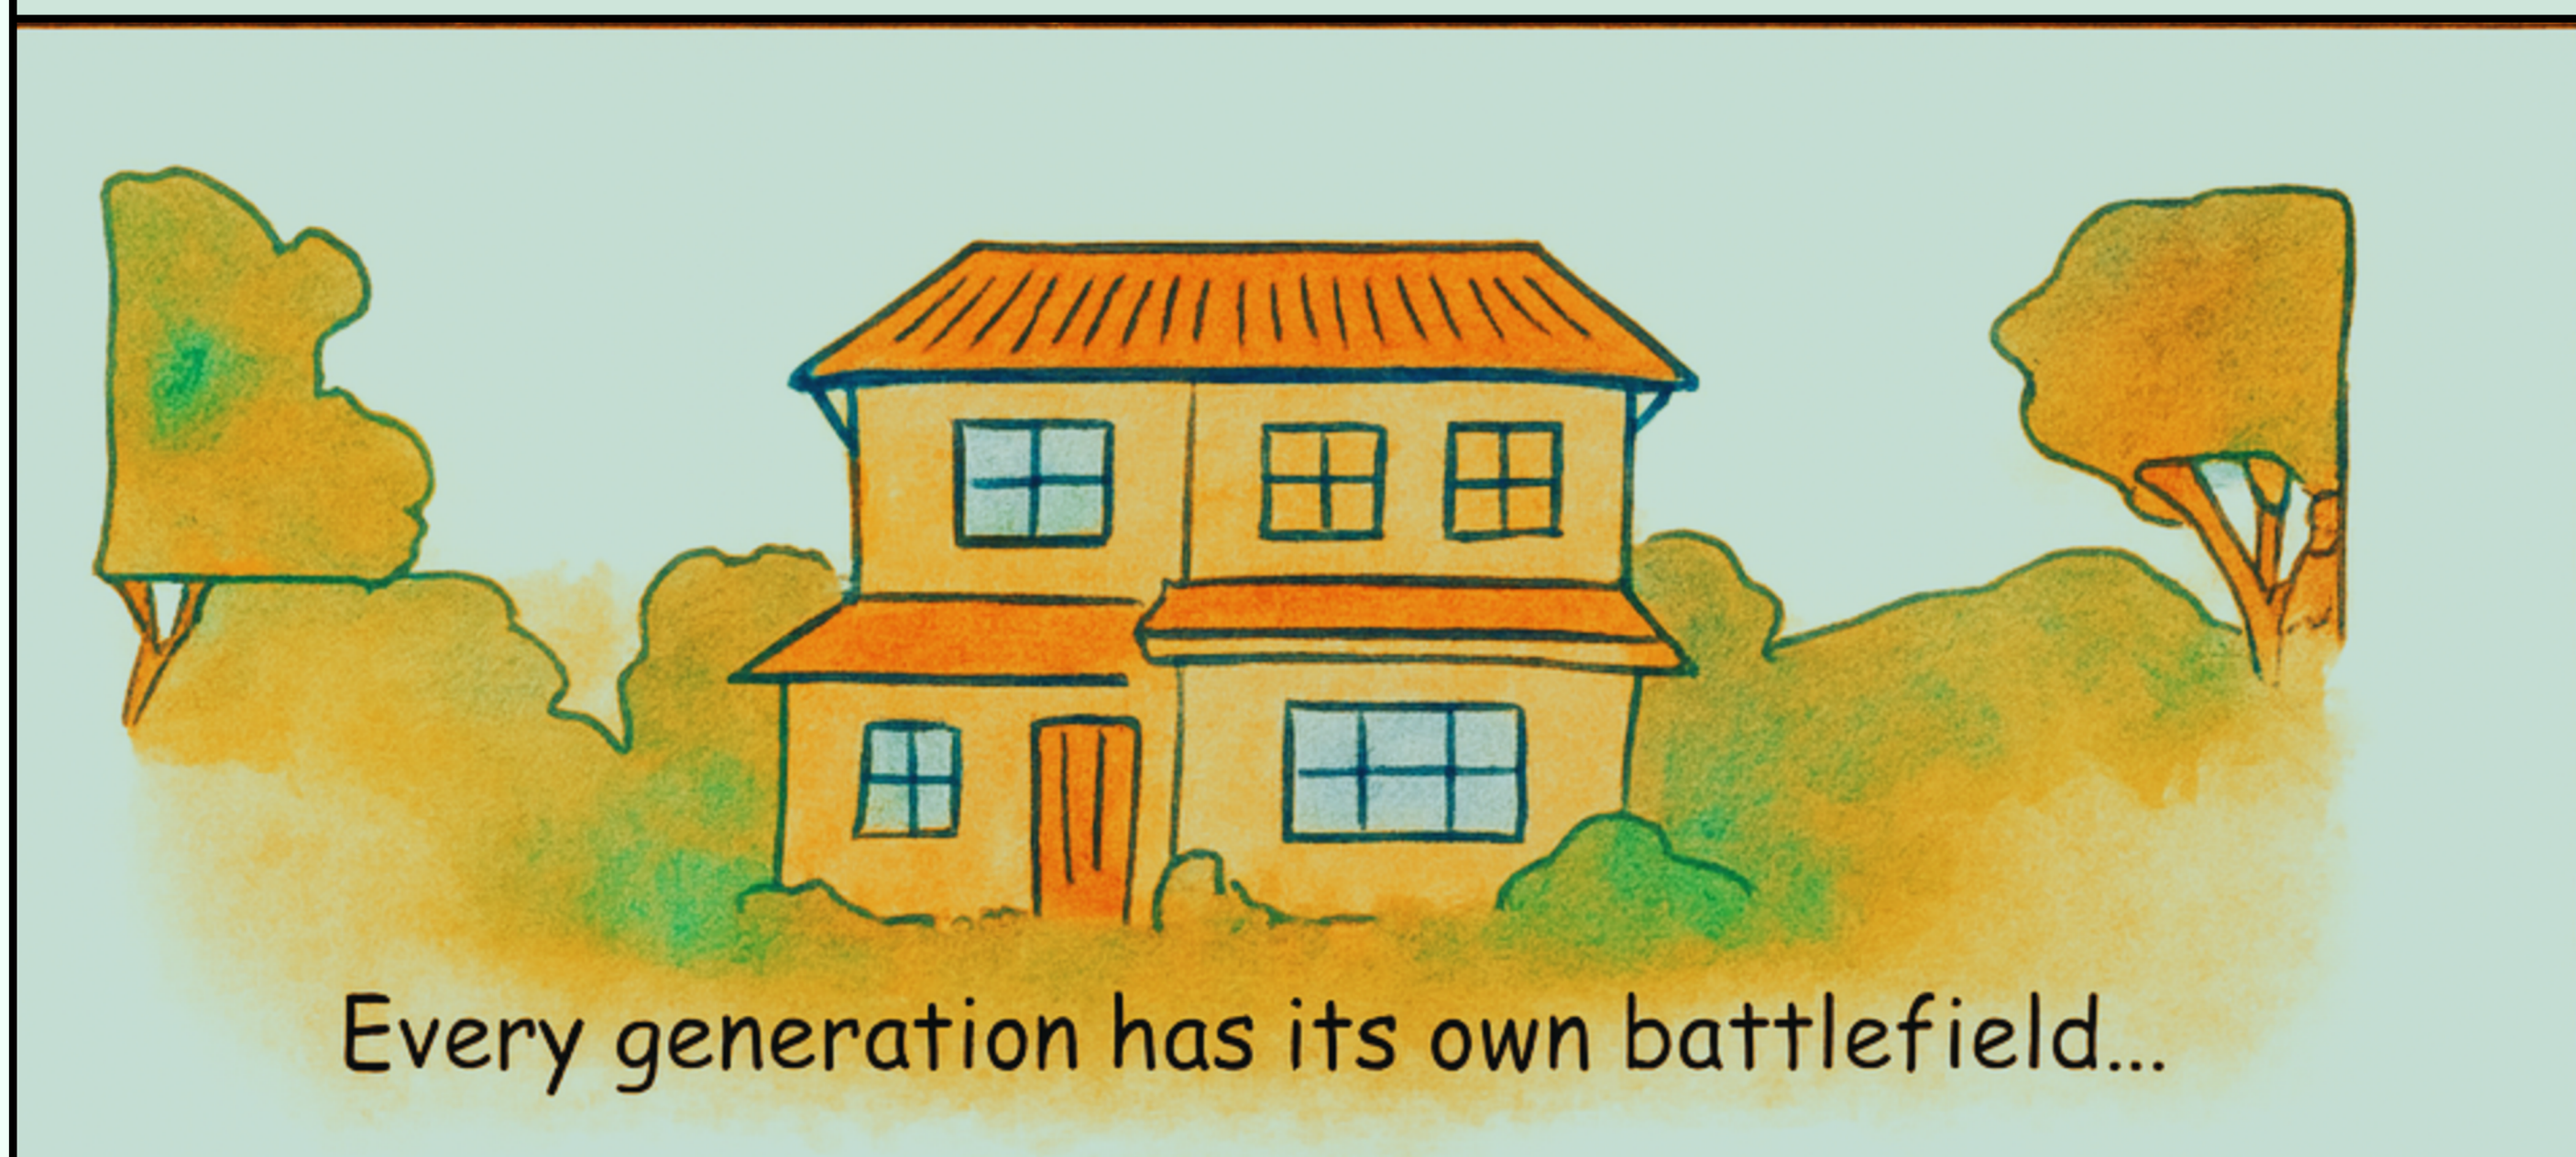

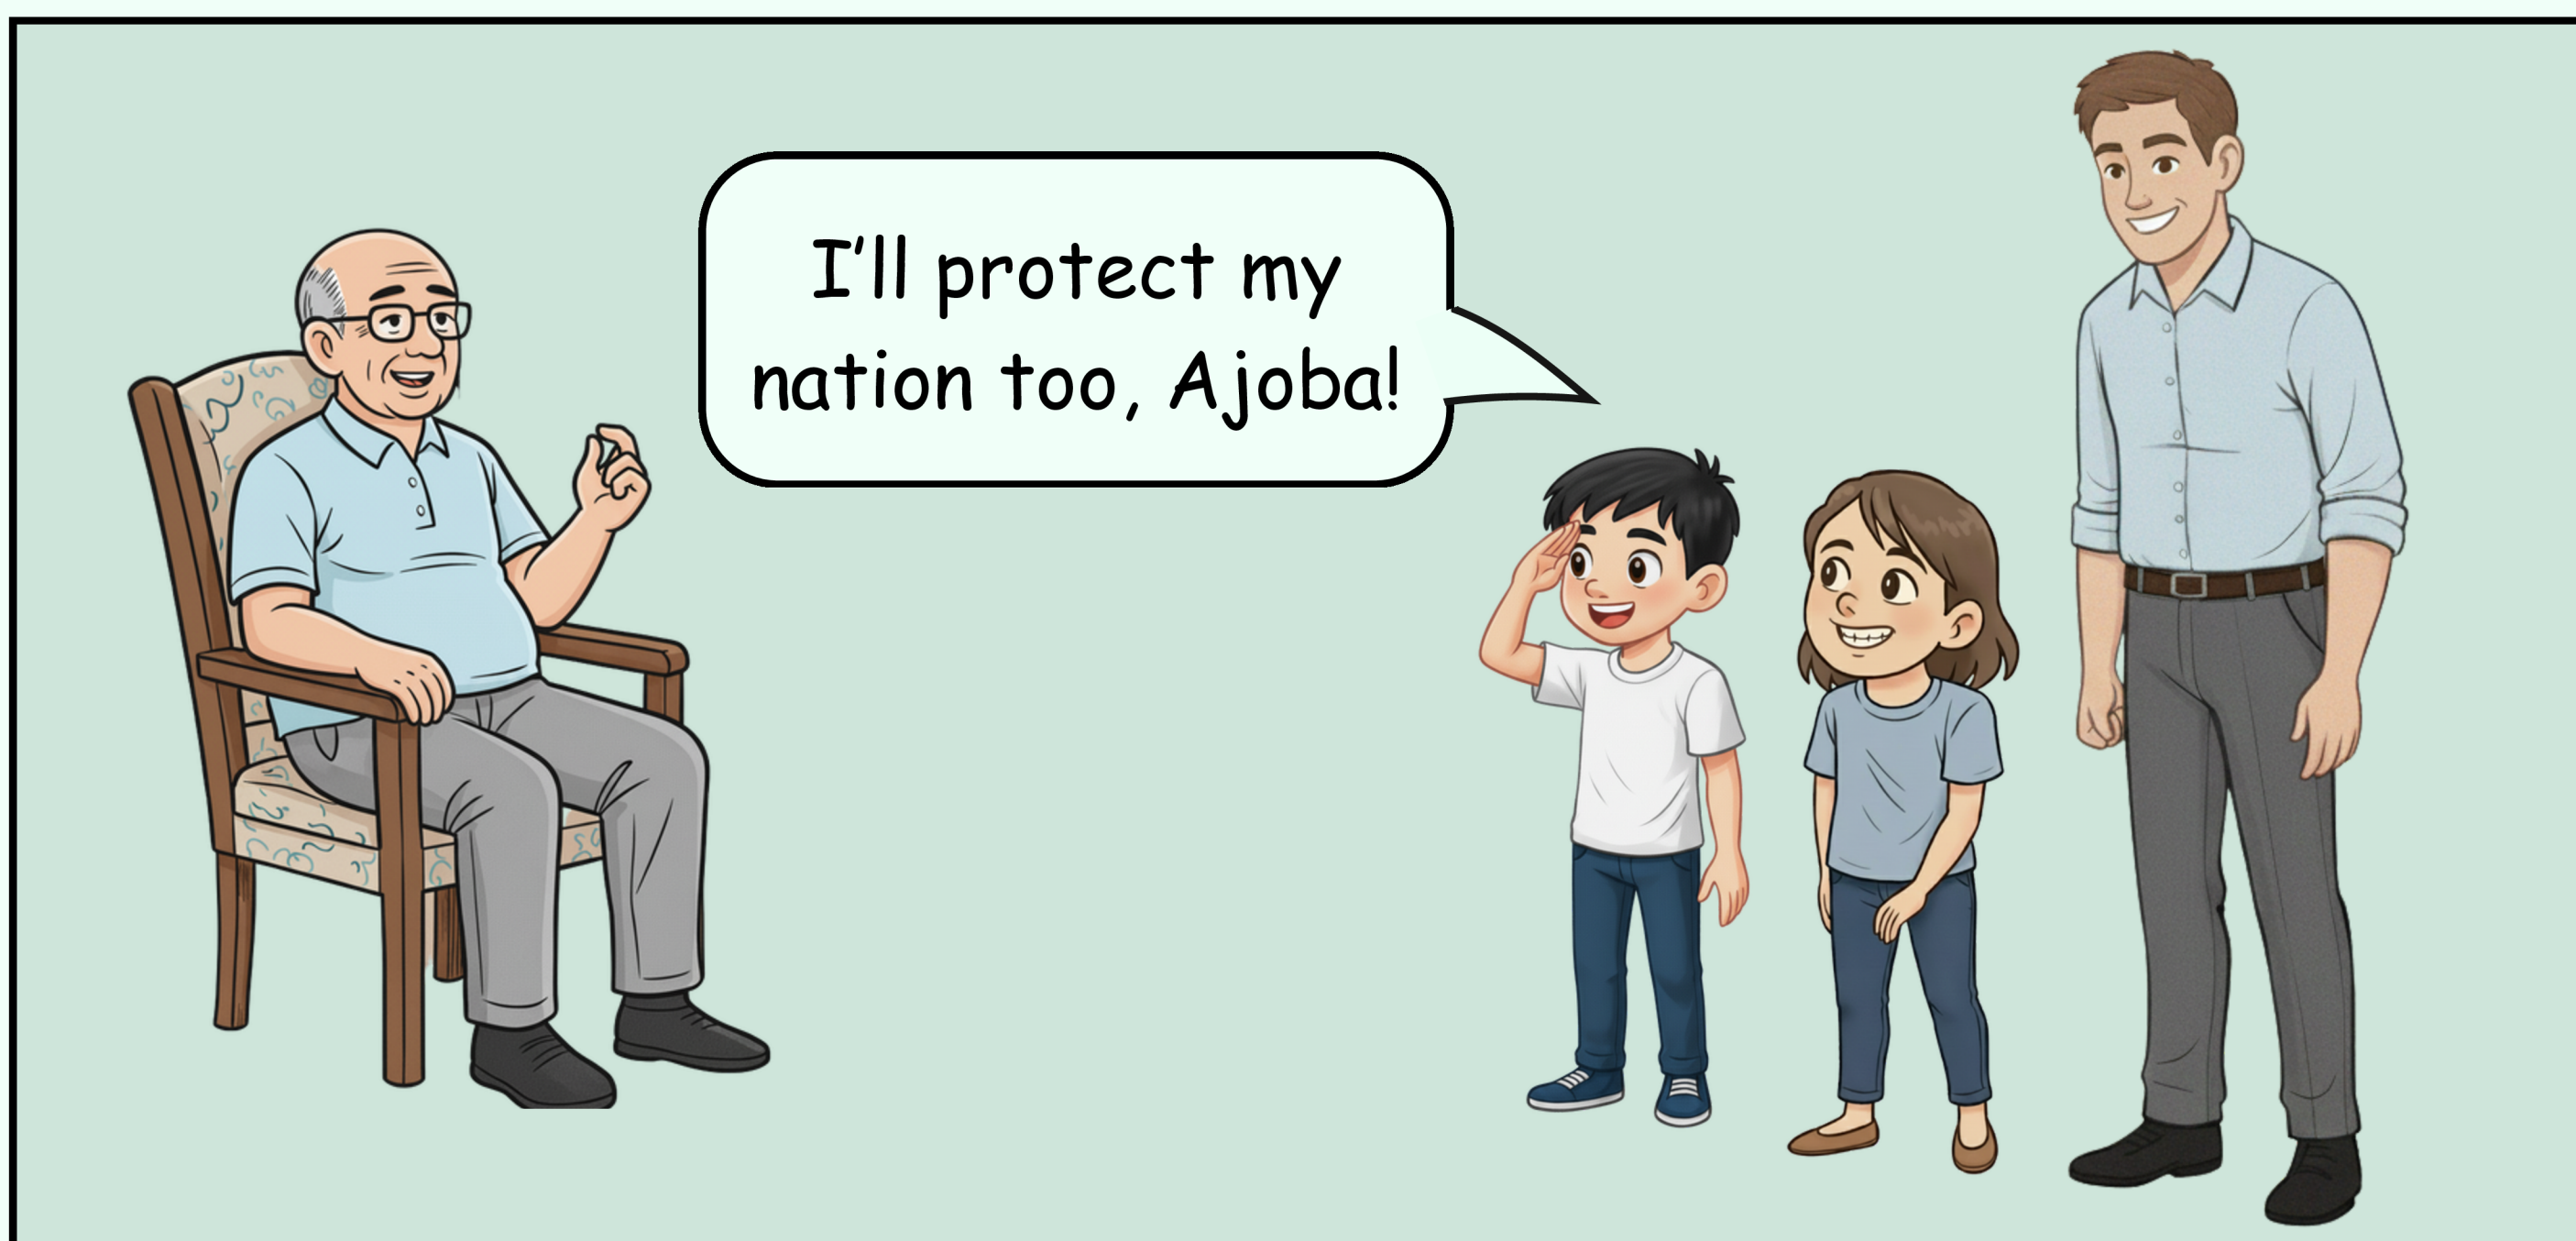

TWO WARS ONE SPIRIT

Operation Sindoor won't
be just marked by
blood... but by bytes...

For Cybercrime complaints: Call 1945/1930 or log on to mhcyber.gov.in

Cyber Yoddha is dedicated to the nation—empowering citizens and honoring Op-Sindoor, defenders of both our soil and cyberspace...

Enemies may change,
Wars may transform...
Yet the mission stands
unshaken:

To protect, to serve, and to
remain united for the nation.
