CYBER YODDHA

Episode 2: Sindoor stands Tall

Special Edition

About

Cyber Yoddha brings the hidden battles of the digital world to life through storytelling and visuals.

At its heart is the Deshmukh family, a middle-class Marathi household, who discuss cybercrime and the realities of cyber warfare.

The mission is simple: make cyber safety easy to understand, remember and practice. By presenting complex issues in a comic format, Cyber Yoddha builds awareness, encourages safe online habits and guides citizens toward timely help through Helpline 1930 and www.mhcyber.gov.in

More than entertainment, Cyber Yoddha is a tool of empowerment. It helps readers recognize scams, strengthen digital trust and inspires youth toward ethical careers in cyberspace shaping a safer digital society for all.

About Mahacyber

Established in 2016, the Maharashtra Cyber Department is at the forefront of combating cybercrime in Maharashtra. As one of India's pioneering dedicated cybersecurity departments, MahaCyber employs a multi-faceted approach to address the growing menace of cyber threats. Our focus encompasses the detection, prevention, and prosecution of cybercrimes, as well as fostering cybersecurity awareness among Maharashtra's citizens.

Cyber Yoddha

Episode 2: Sindoor stands Tall

Series-01

Ajoba... what's happening? Why are they saying attacks?

**THIS IS SERIOUS
VISHAL MIGHT
EXPLAIN THIS....**

For Cybercrime complaints: Call 1930 or log on to mhcyber.gov.in

Vishal enters tired....

Vishal beta Cyber attacks are growing... How serious is this?

Serious enough, Baba...
Our borders have moved
into cyberspace.

**180 CYBERATTACKS
IN LAST 72 HOURS**

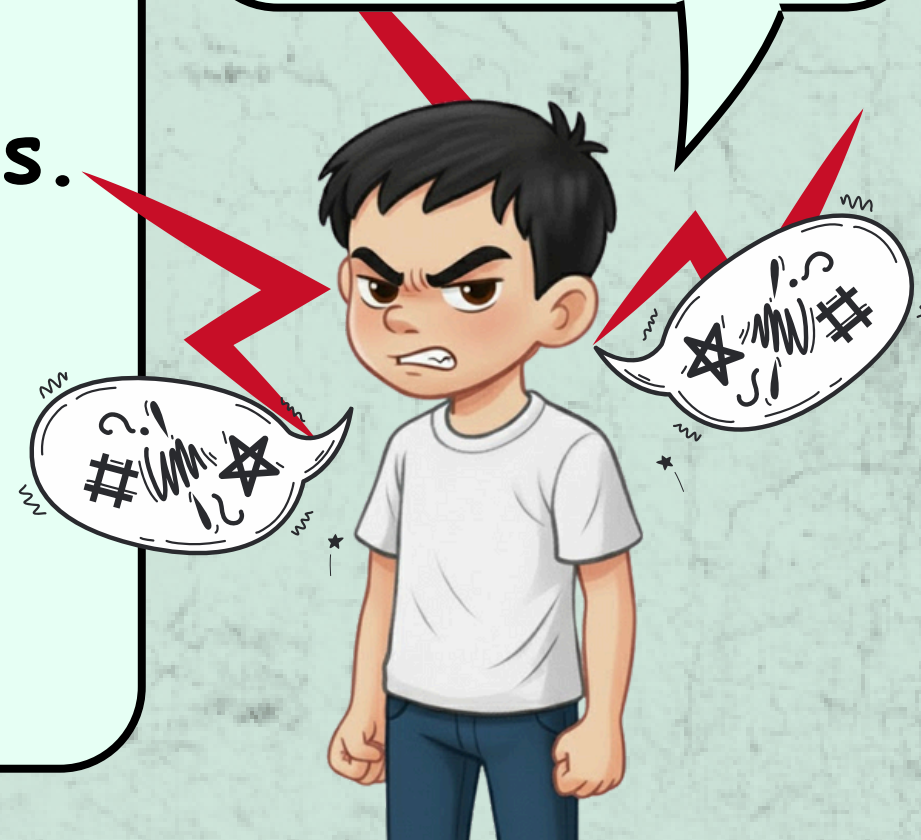

For Cybercrime complaints: Call 1930 or log on to mhcyber.gov.in

These pro-Pakistan hacktivist groups are mix of state-backed actors, elite hacktivist groups and opportunistic allies.

COWARDS FIGHTING FROM SHADOWS...

Servers are under attack data packets are bursting like digital bombs.

Social media is flooded of fake news and attempts to hack government sites are rising too.

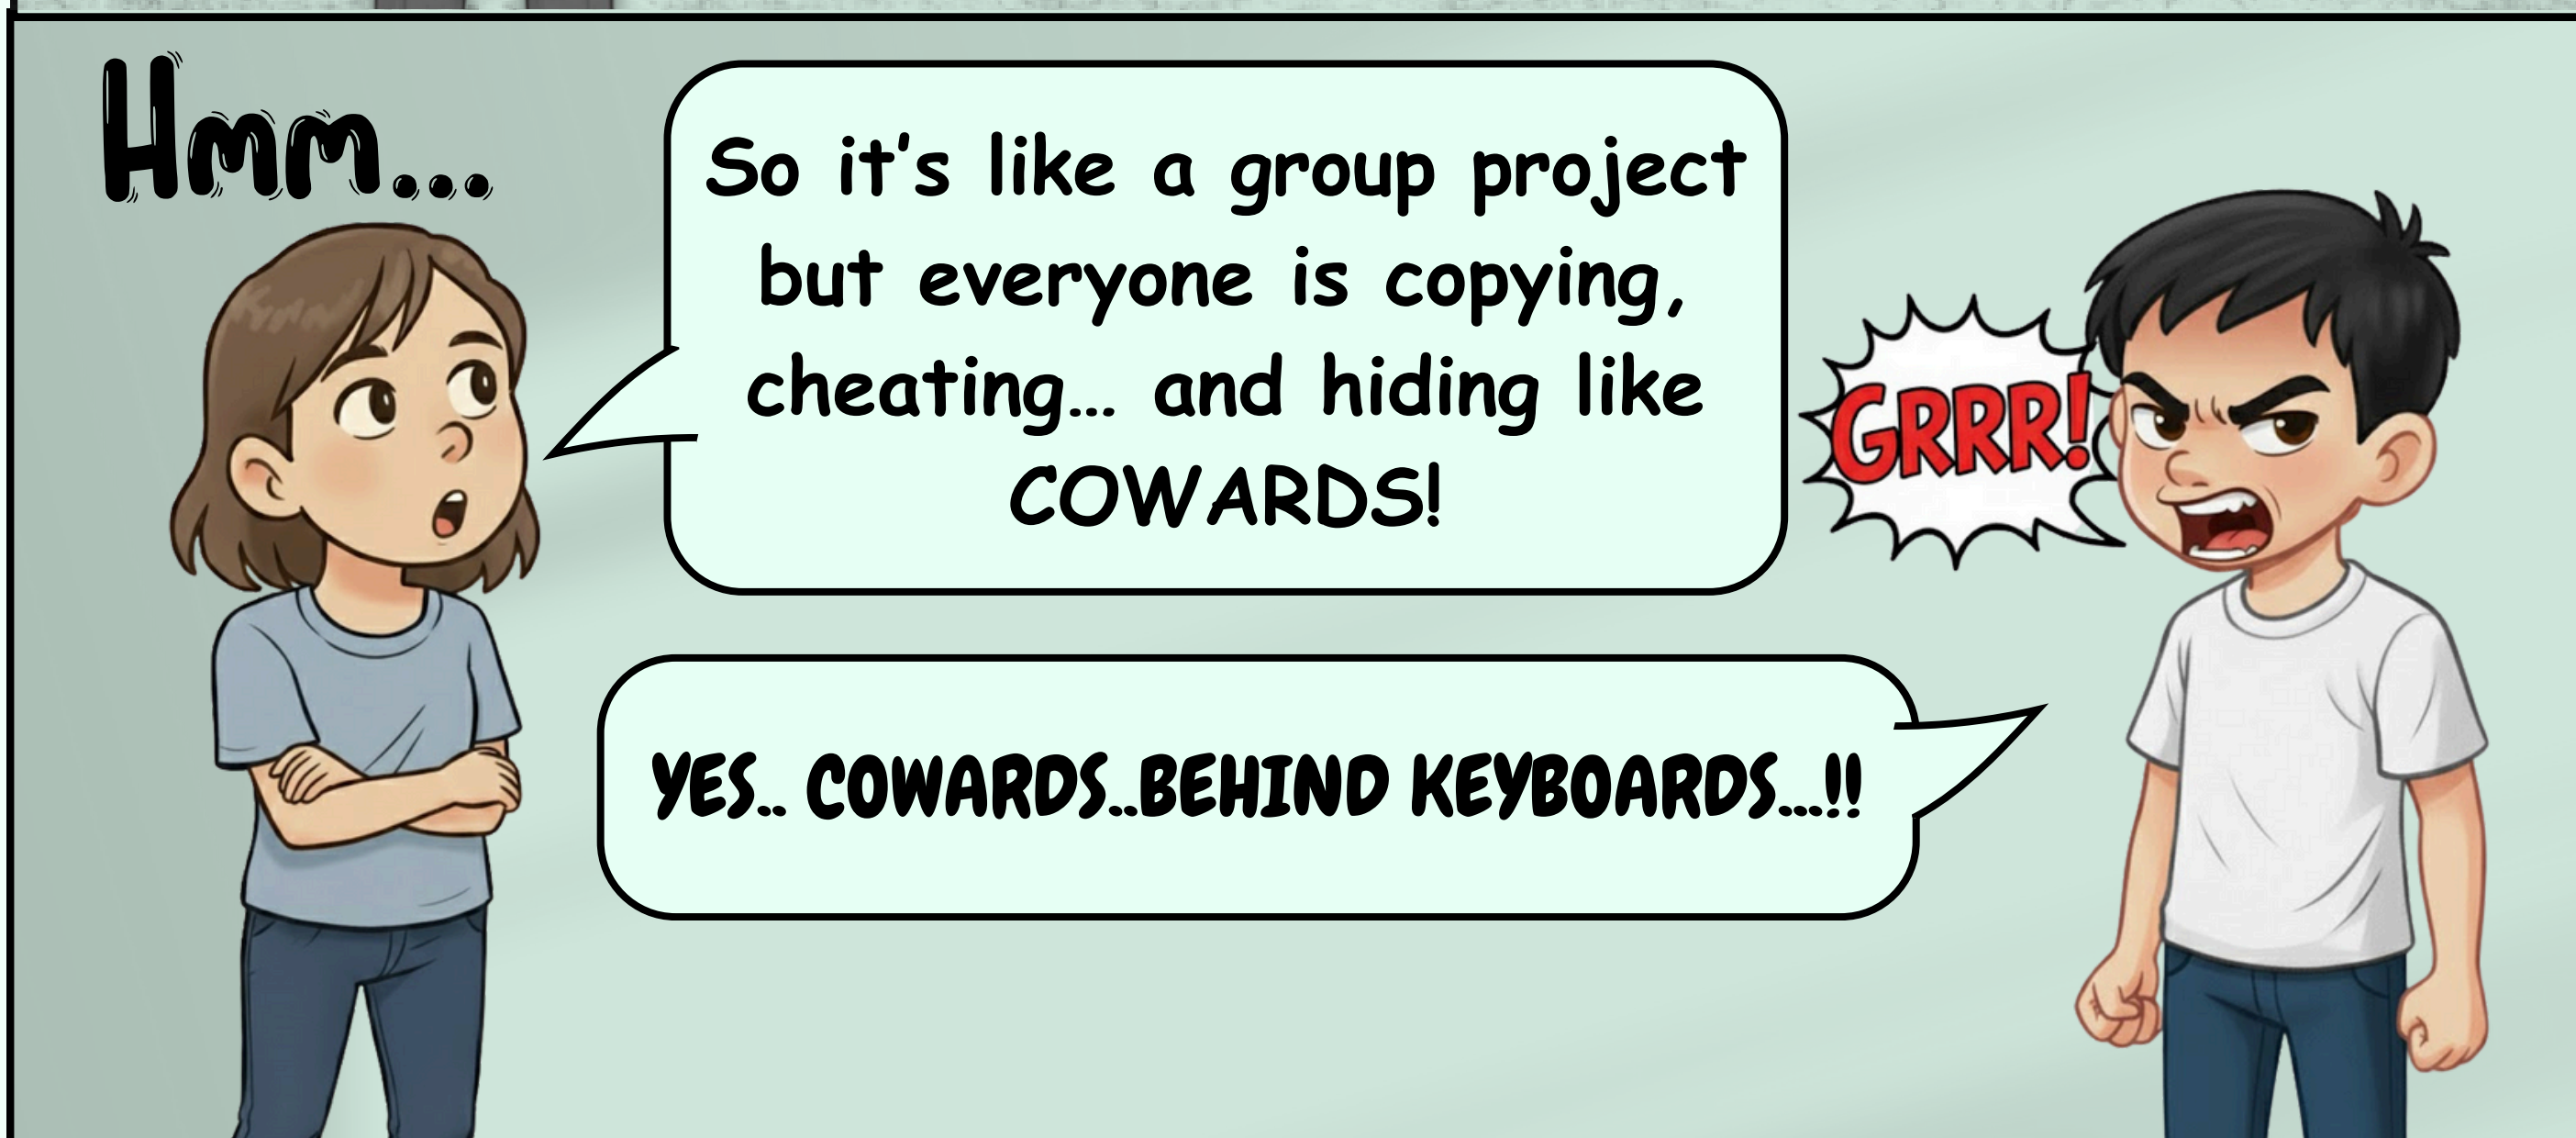

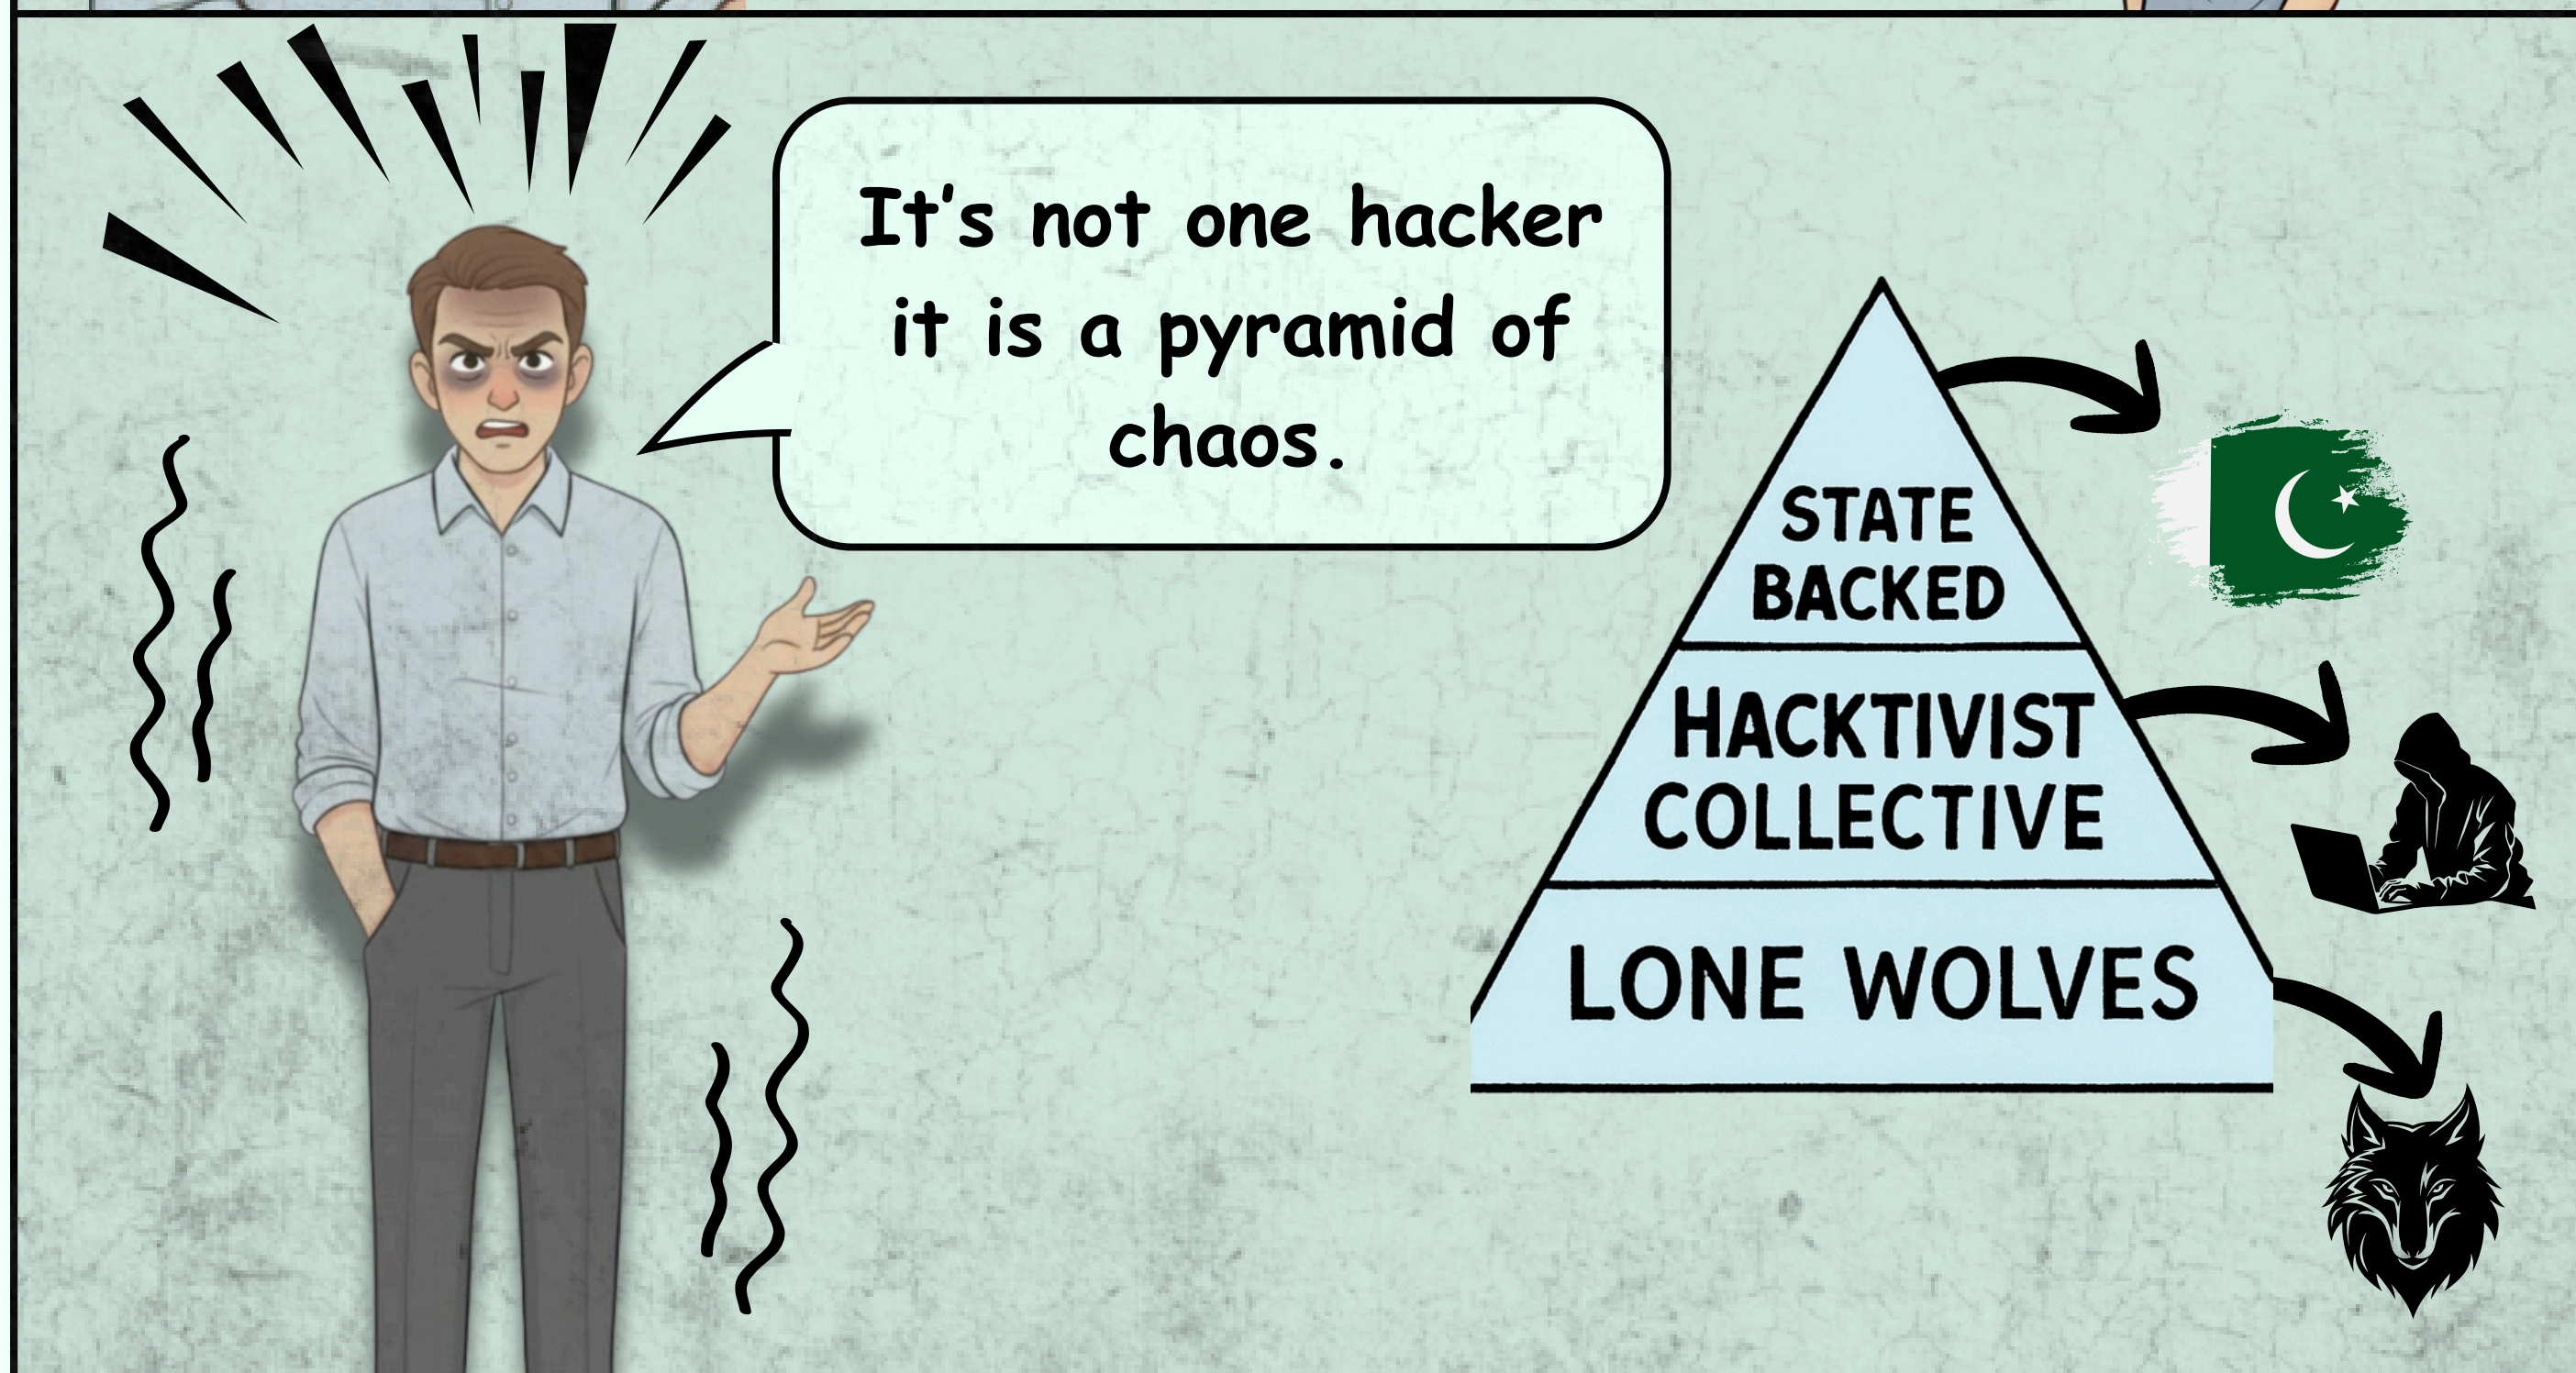

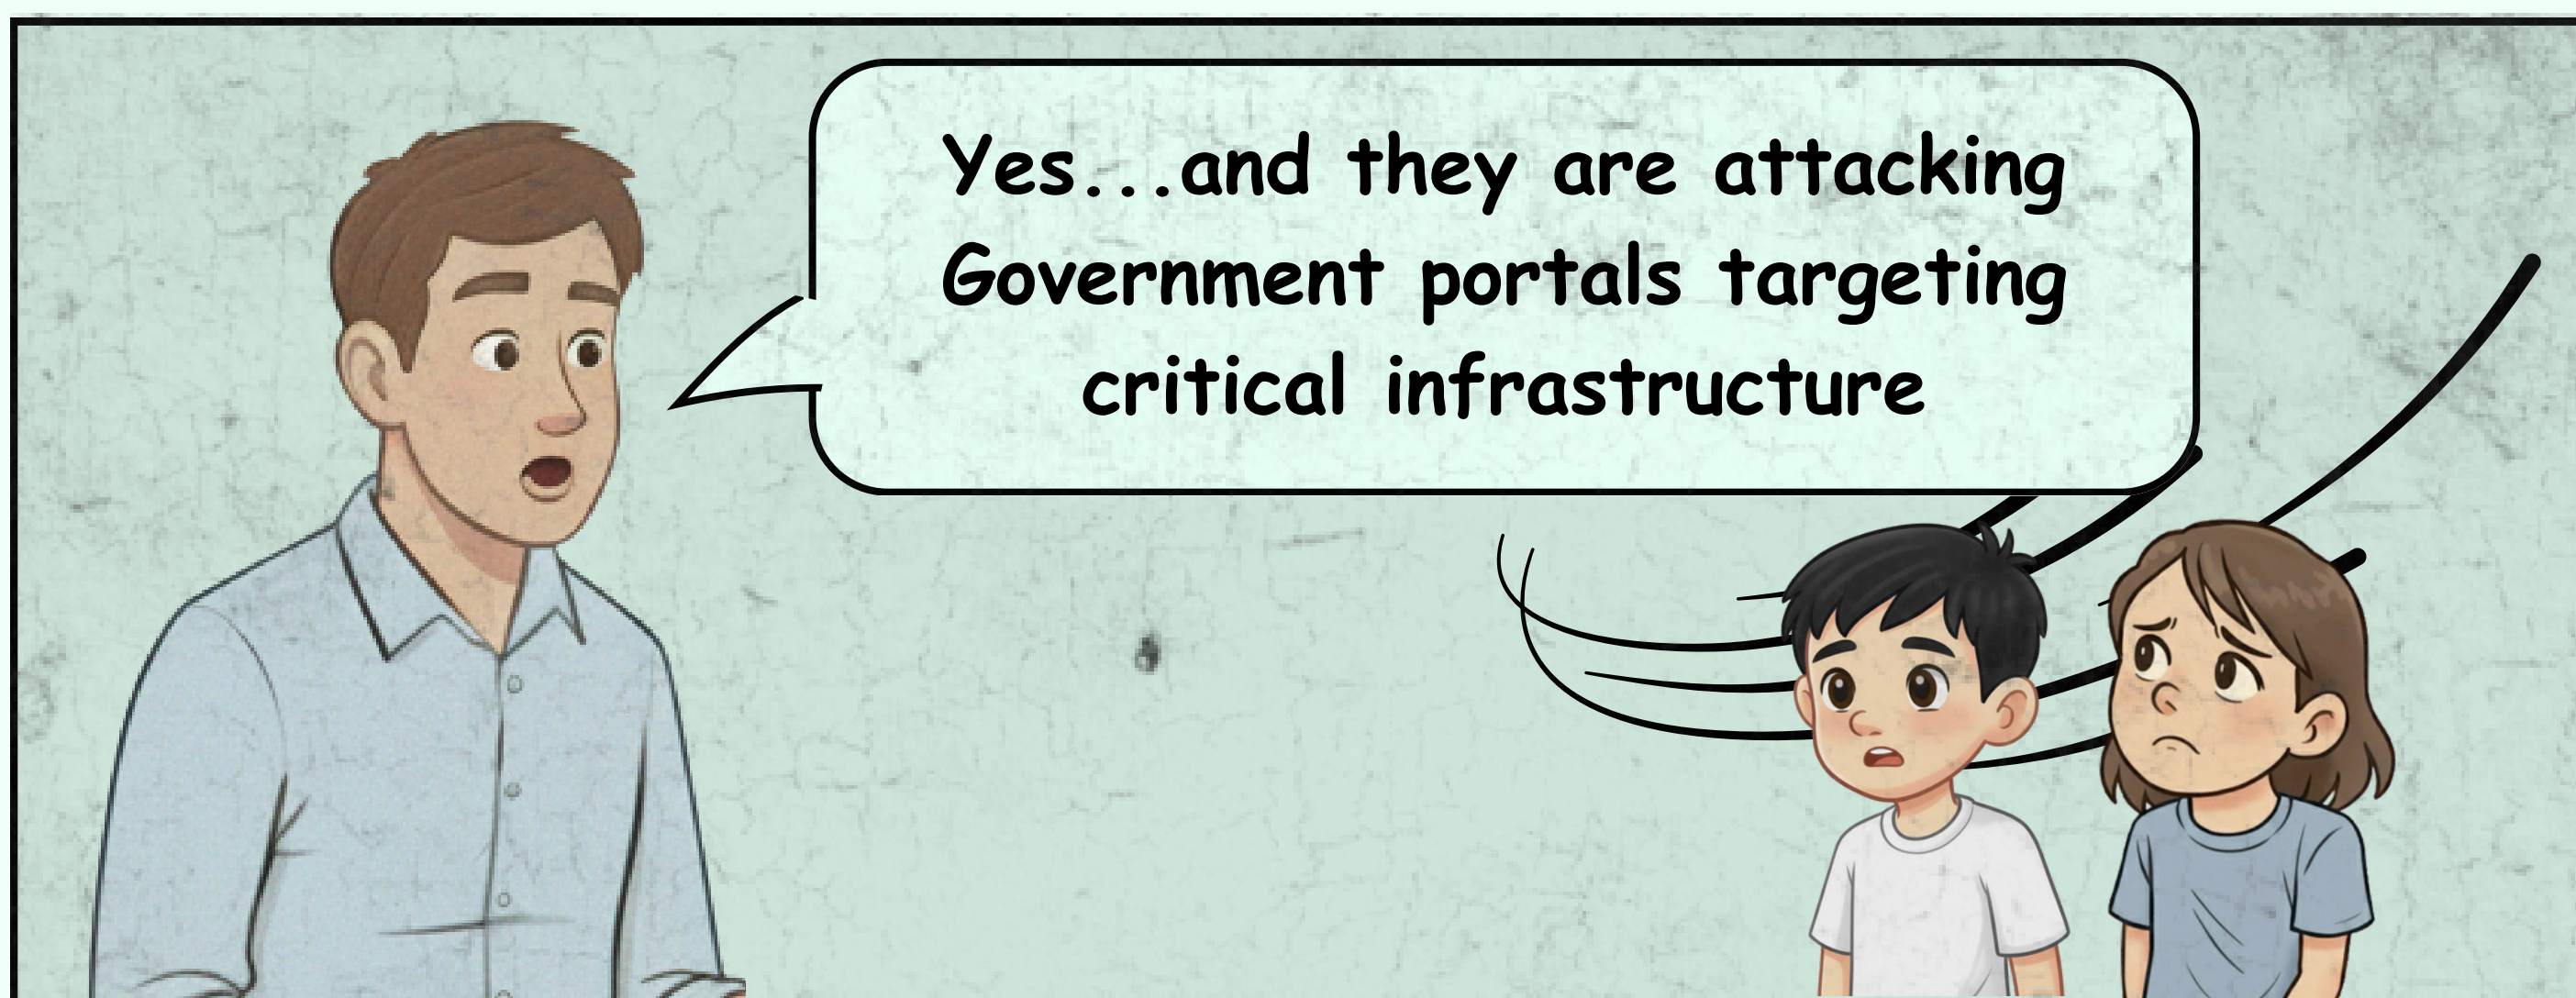

ANNNNN!

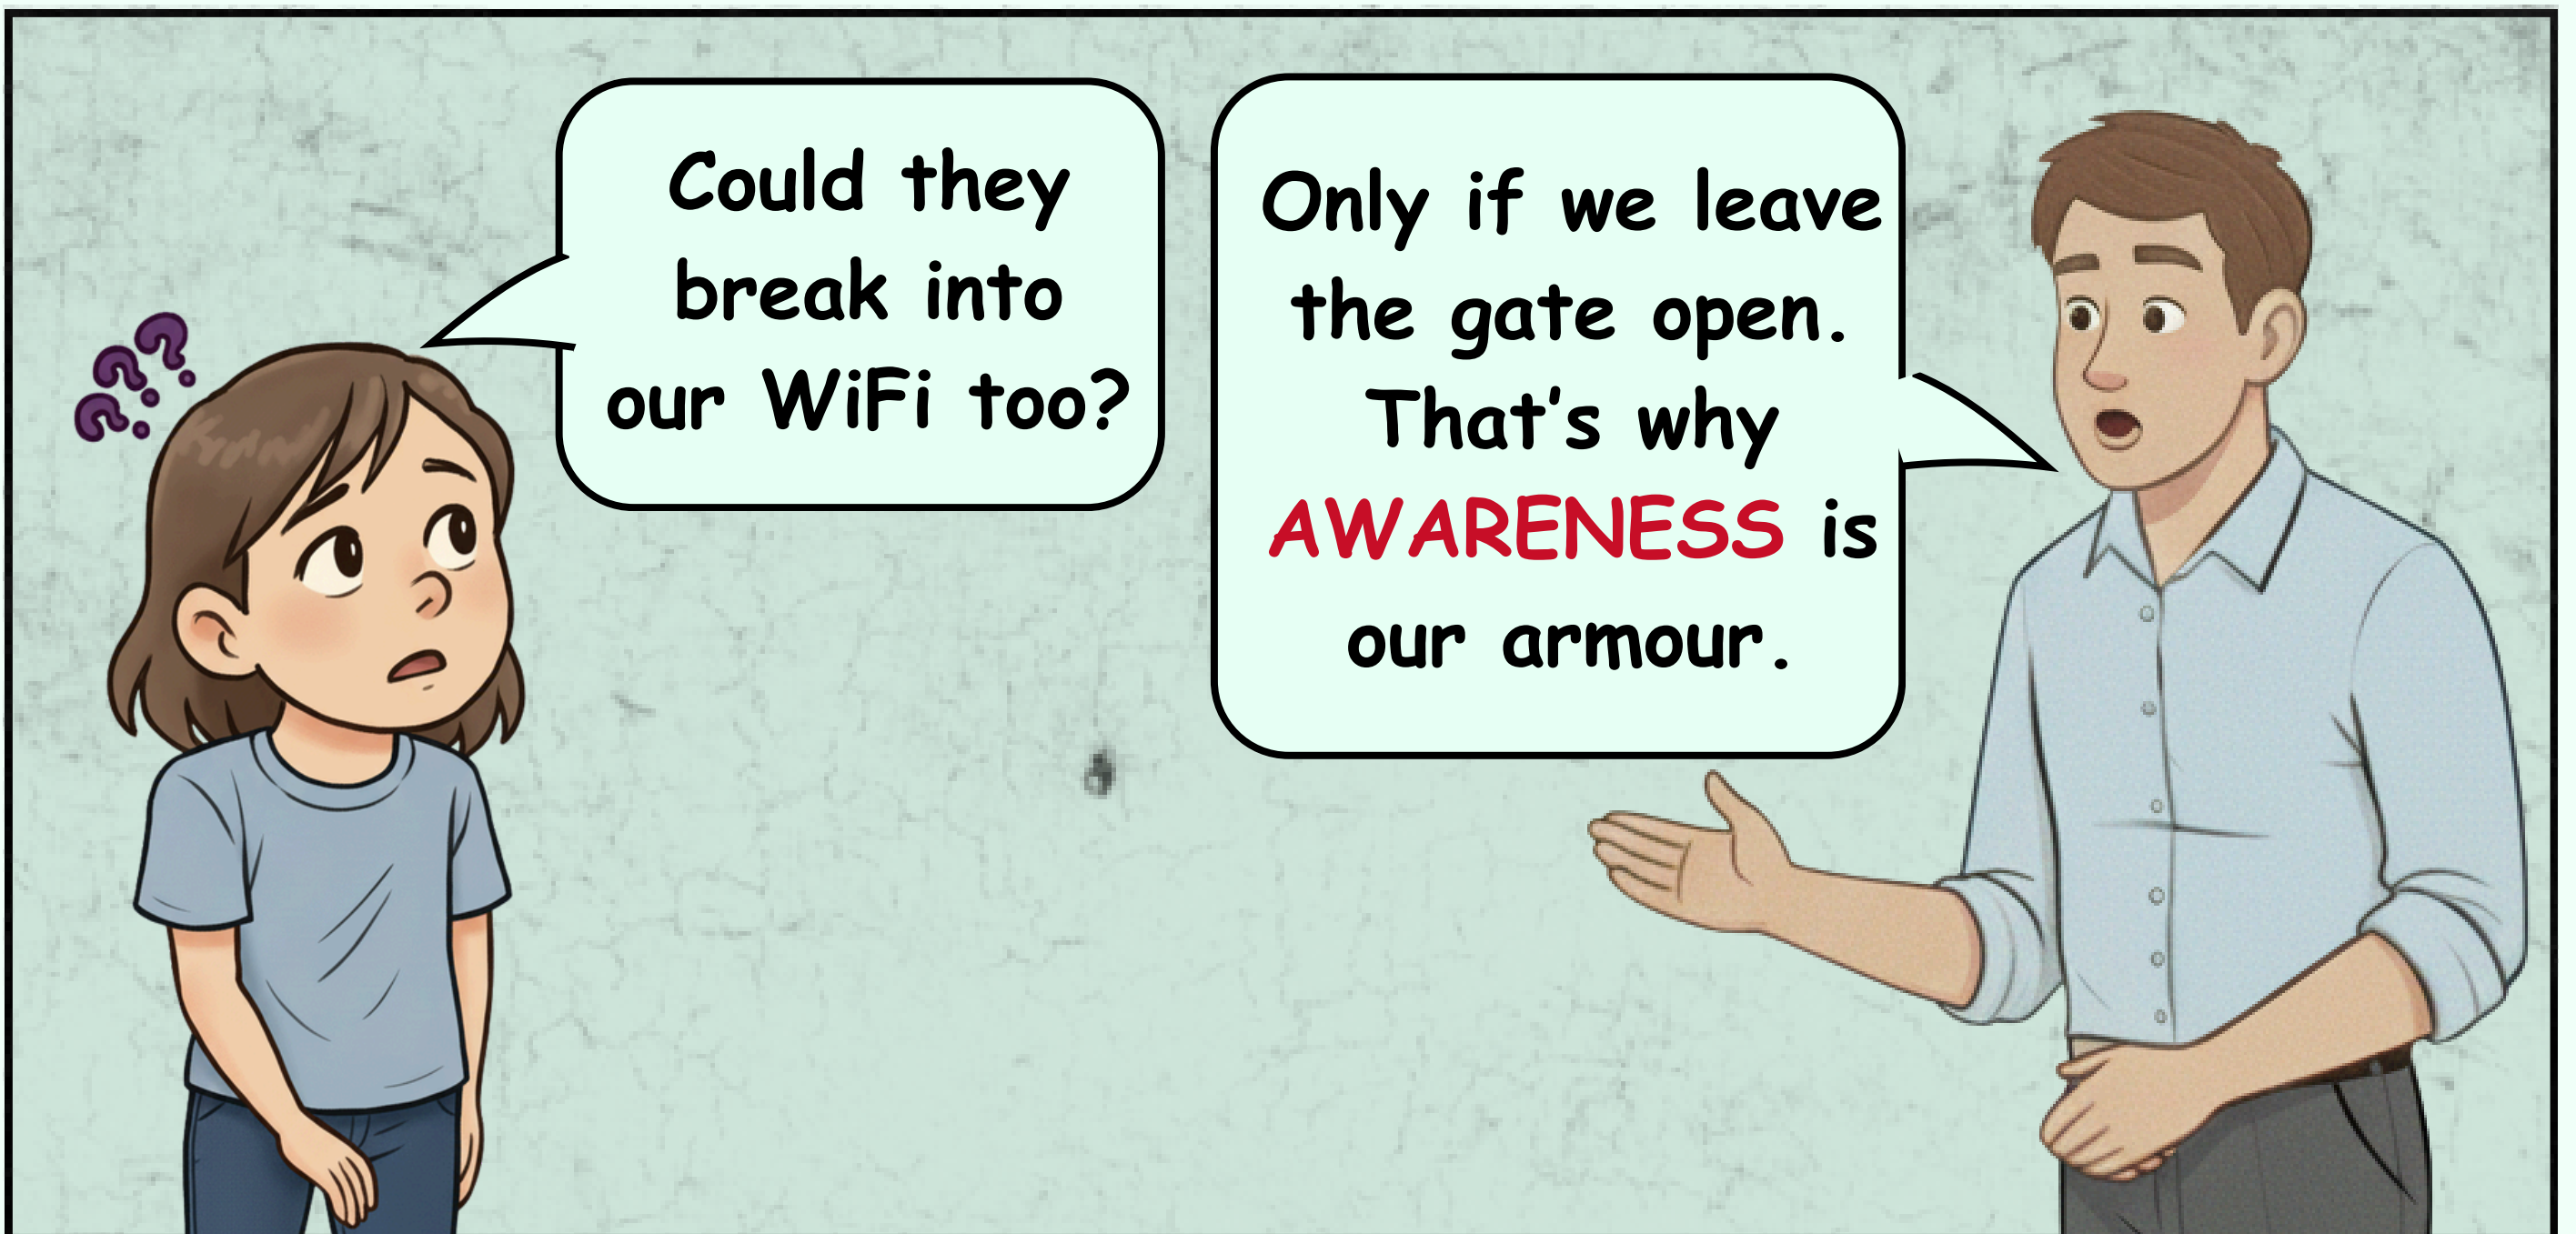

They scribble lies and call it power?
DISGUSTING...!!

For Cybercrime complaints: Call 1930 or log on to www.mhcyber.gov.in

For Cybercrime complaints: Call 1930 or log on to www.mhcyber.gov.in

Bharat is not sleeping. Our Cyber Yoddhas stand watch.

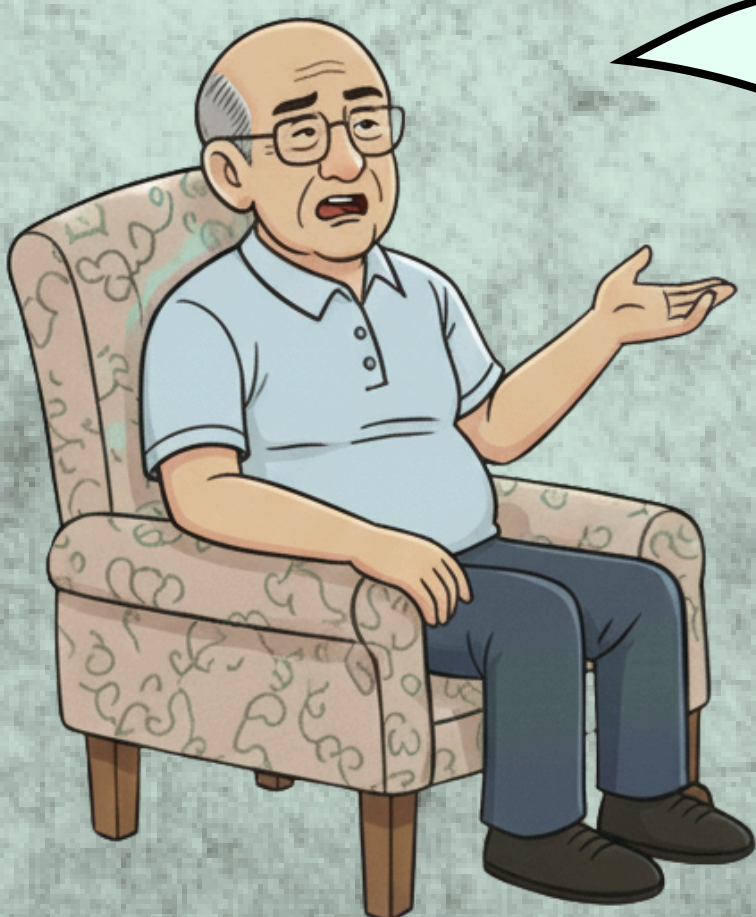

We traced every digital footprint
no attack went unanswered.

Firewalls became our
shields. Algorithms
our soldiers.

We fought back in coordinated, connected, and confident manner. Bharat did not blink in this cyber war...!!

Hmmm...Our Cyber
Yoddhas are
guarding firewalls
today just as our
soldiers guard the
frontlines.

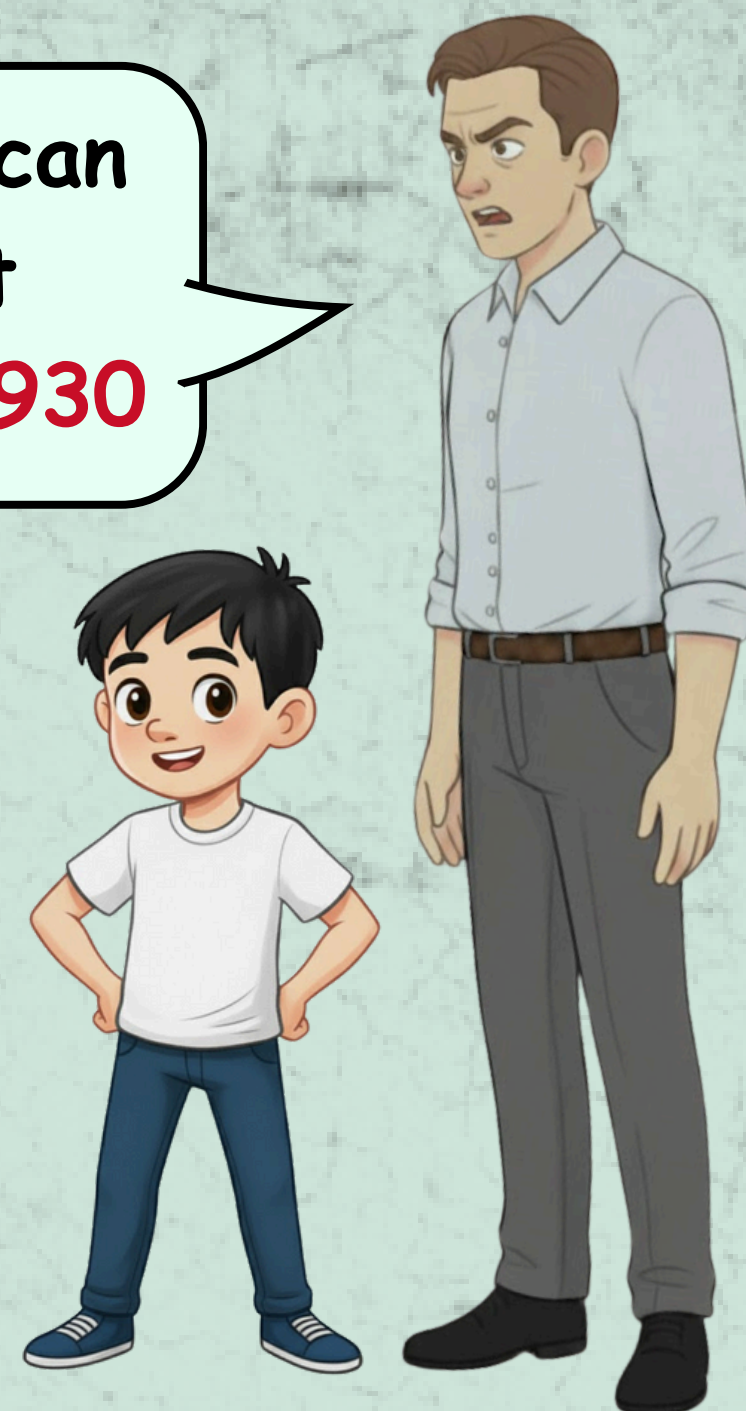

For Cybercrime complaints: Call 1930 or log on to mhcyber.gov.in

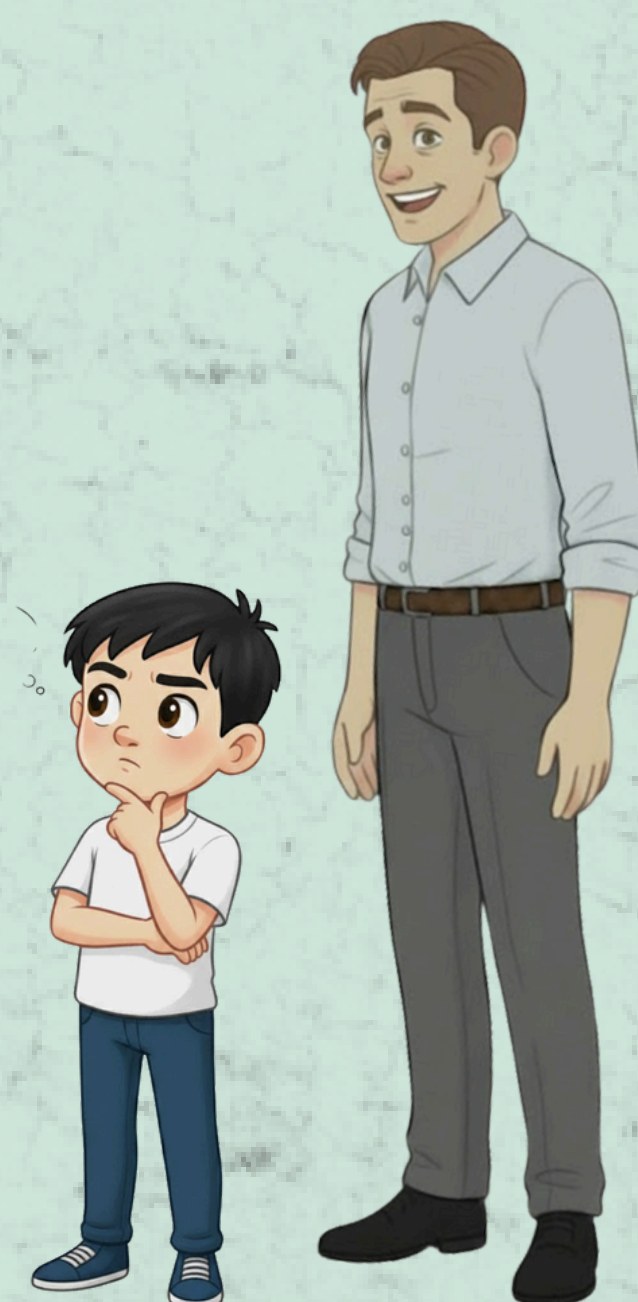

But what can our citizens do...??

Every Indian can act. Report frauds. **Call 1930**

Then every citizen is a soldier..

Yes baba....When awareness becomes action the nation stands stronger.

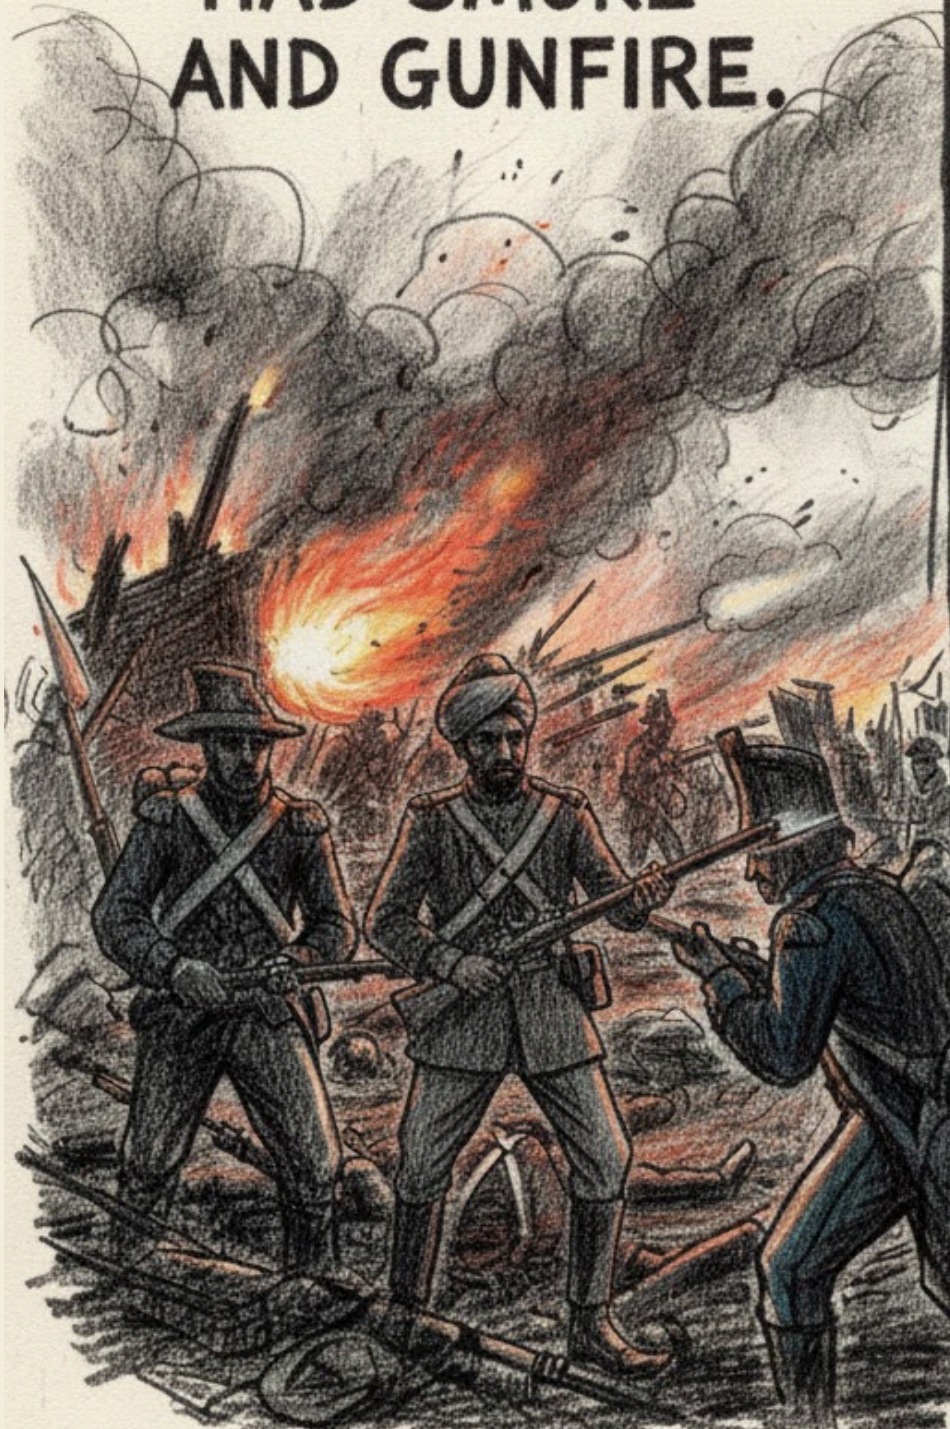

For Cybercrime complaints: Call 1930 or log on to mhcyber.gov.in

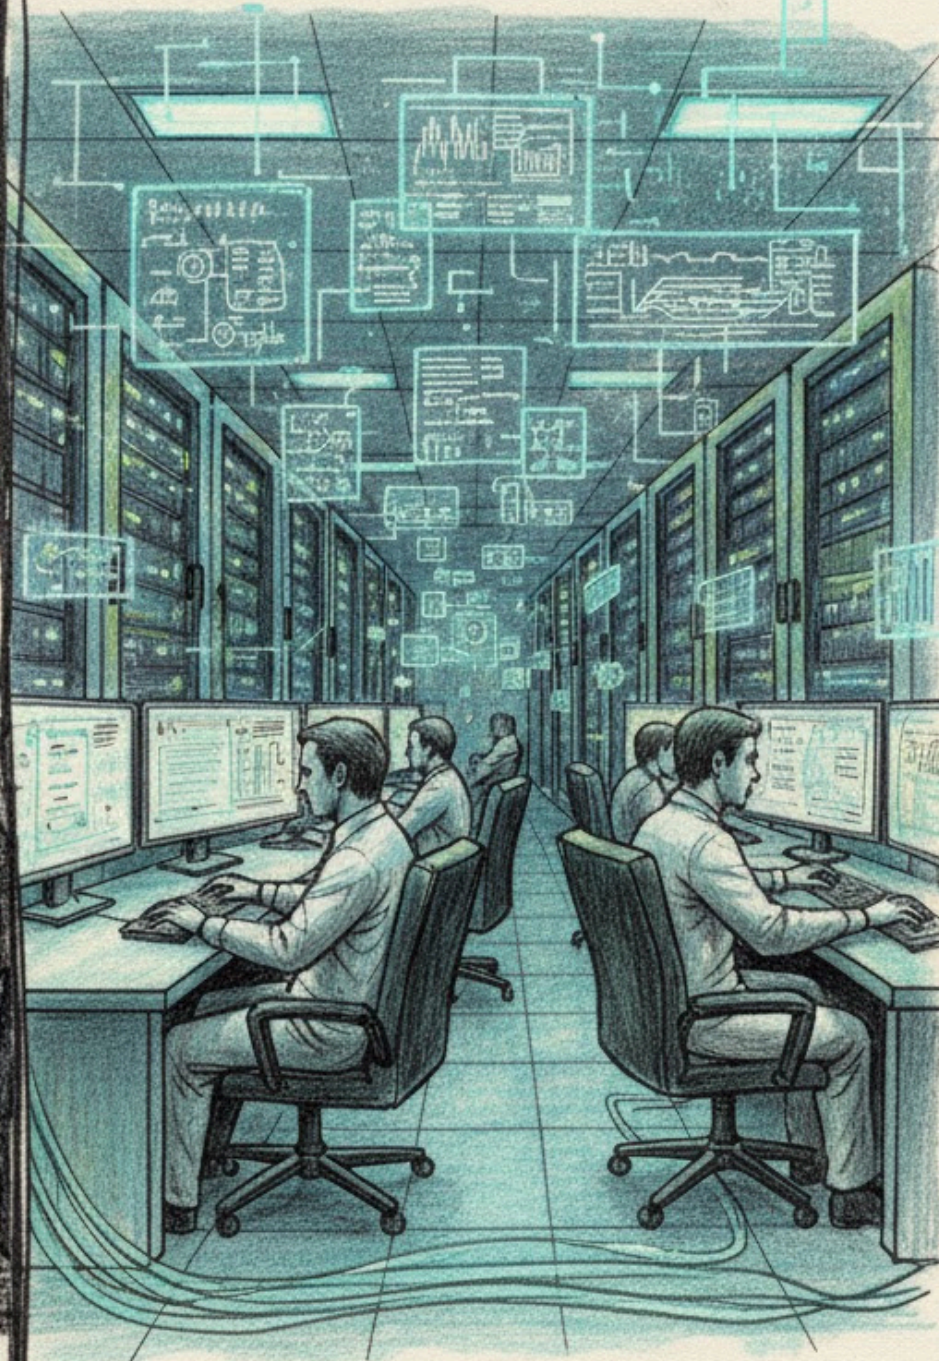

Operation Sindoor... reminds me
of my old days when we fought
Pakistan and liberated
Bangladesh in 1971.

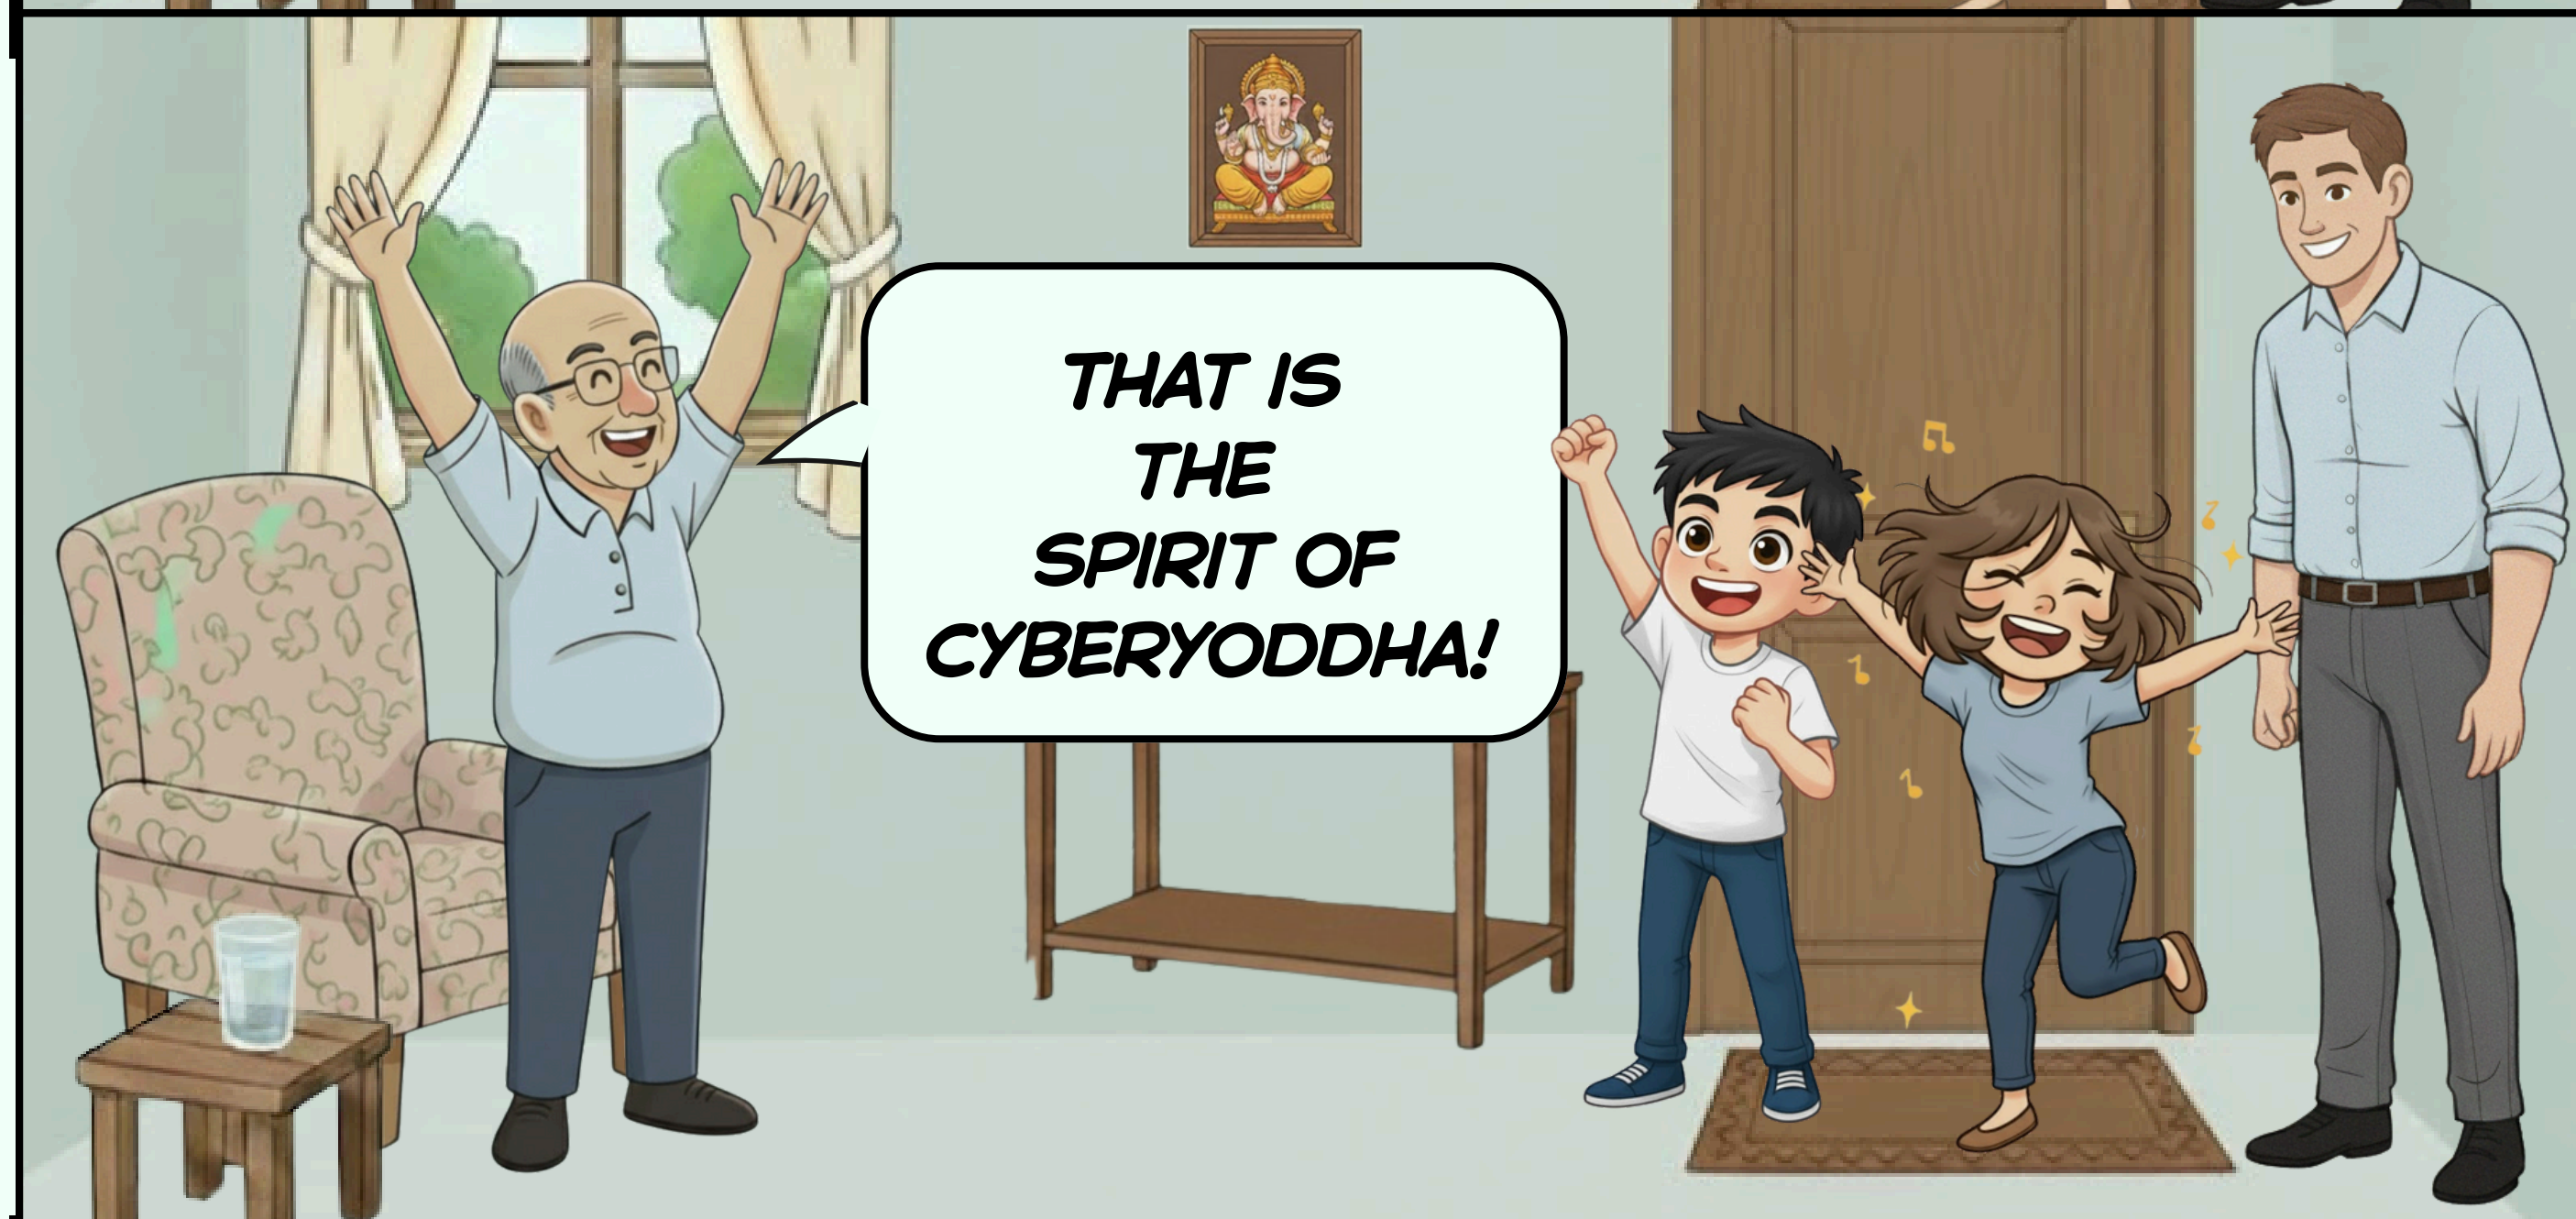

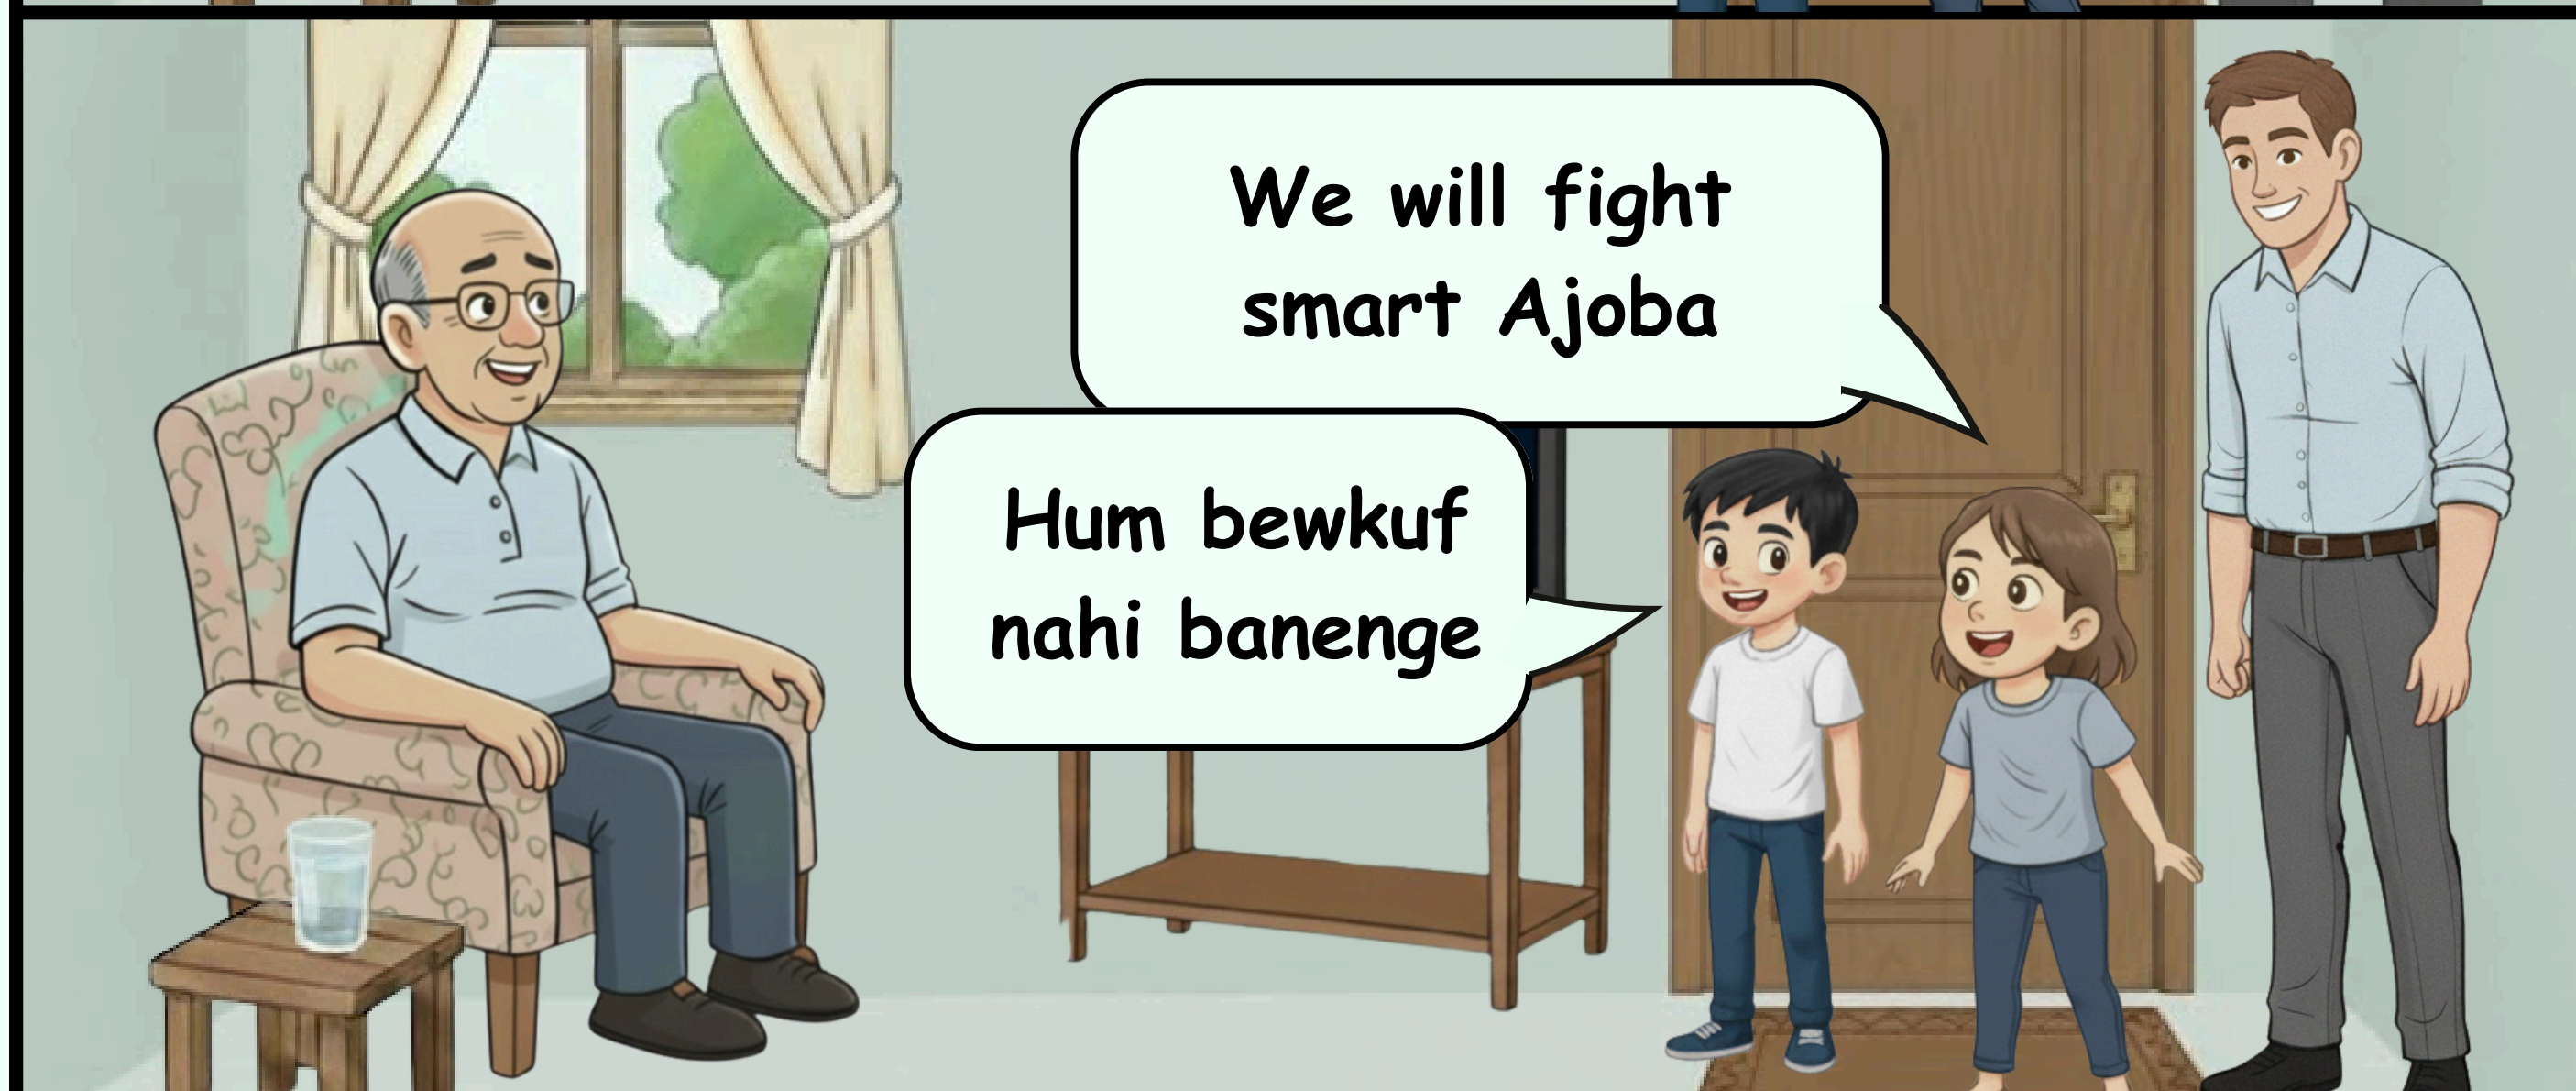

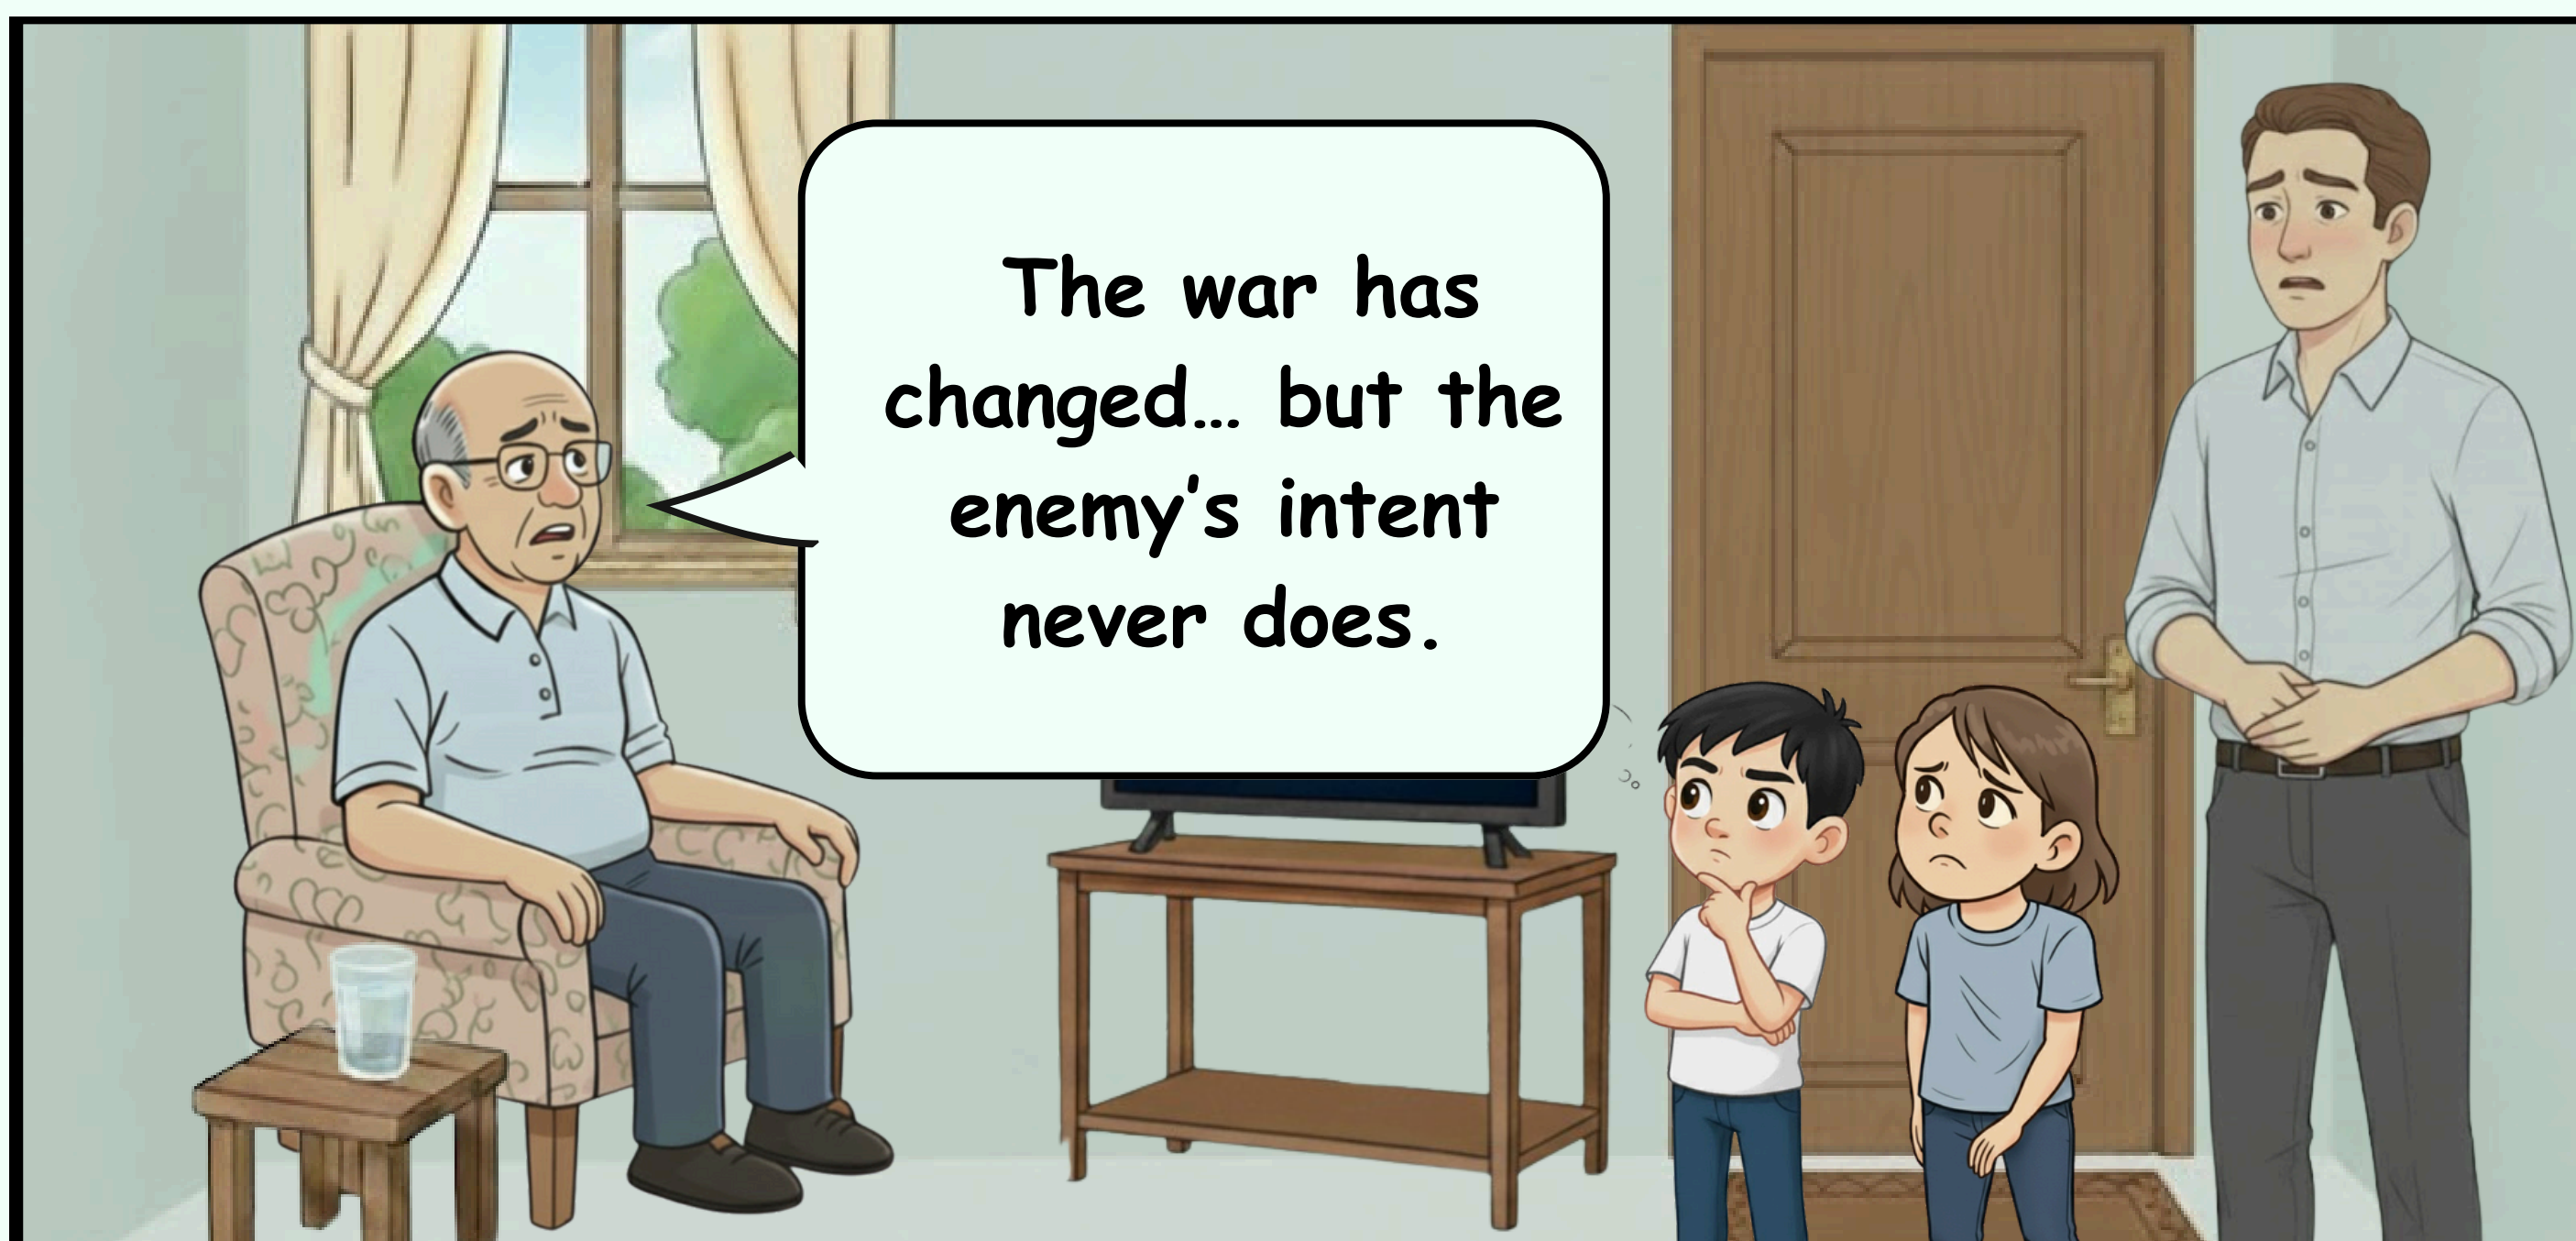

**MY BATTLES
HAD SMOKE
AND GUNFIRE.**

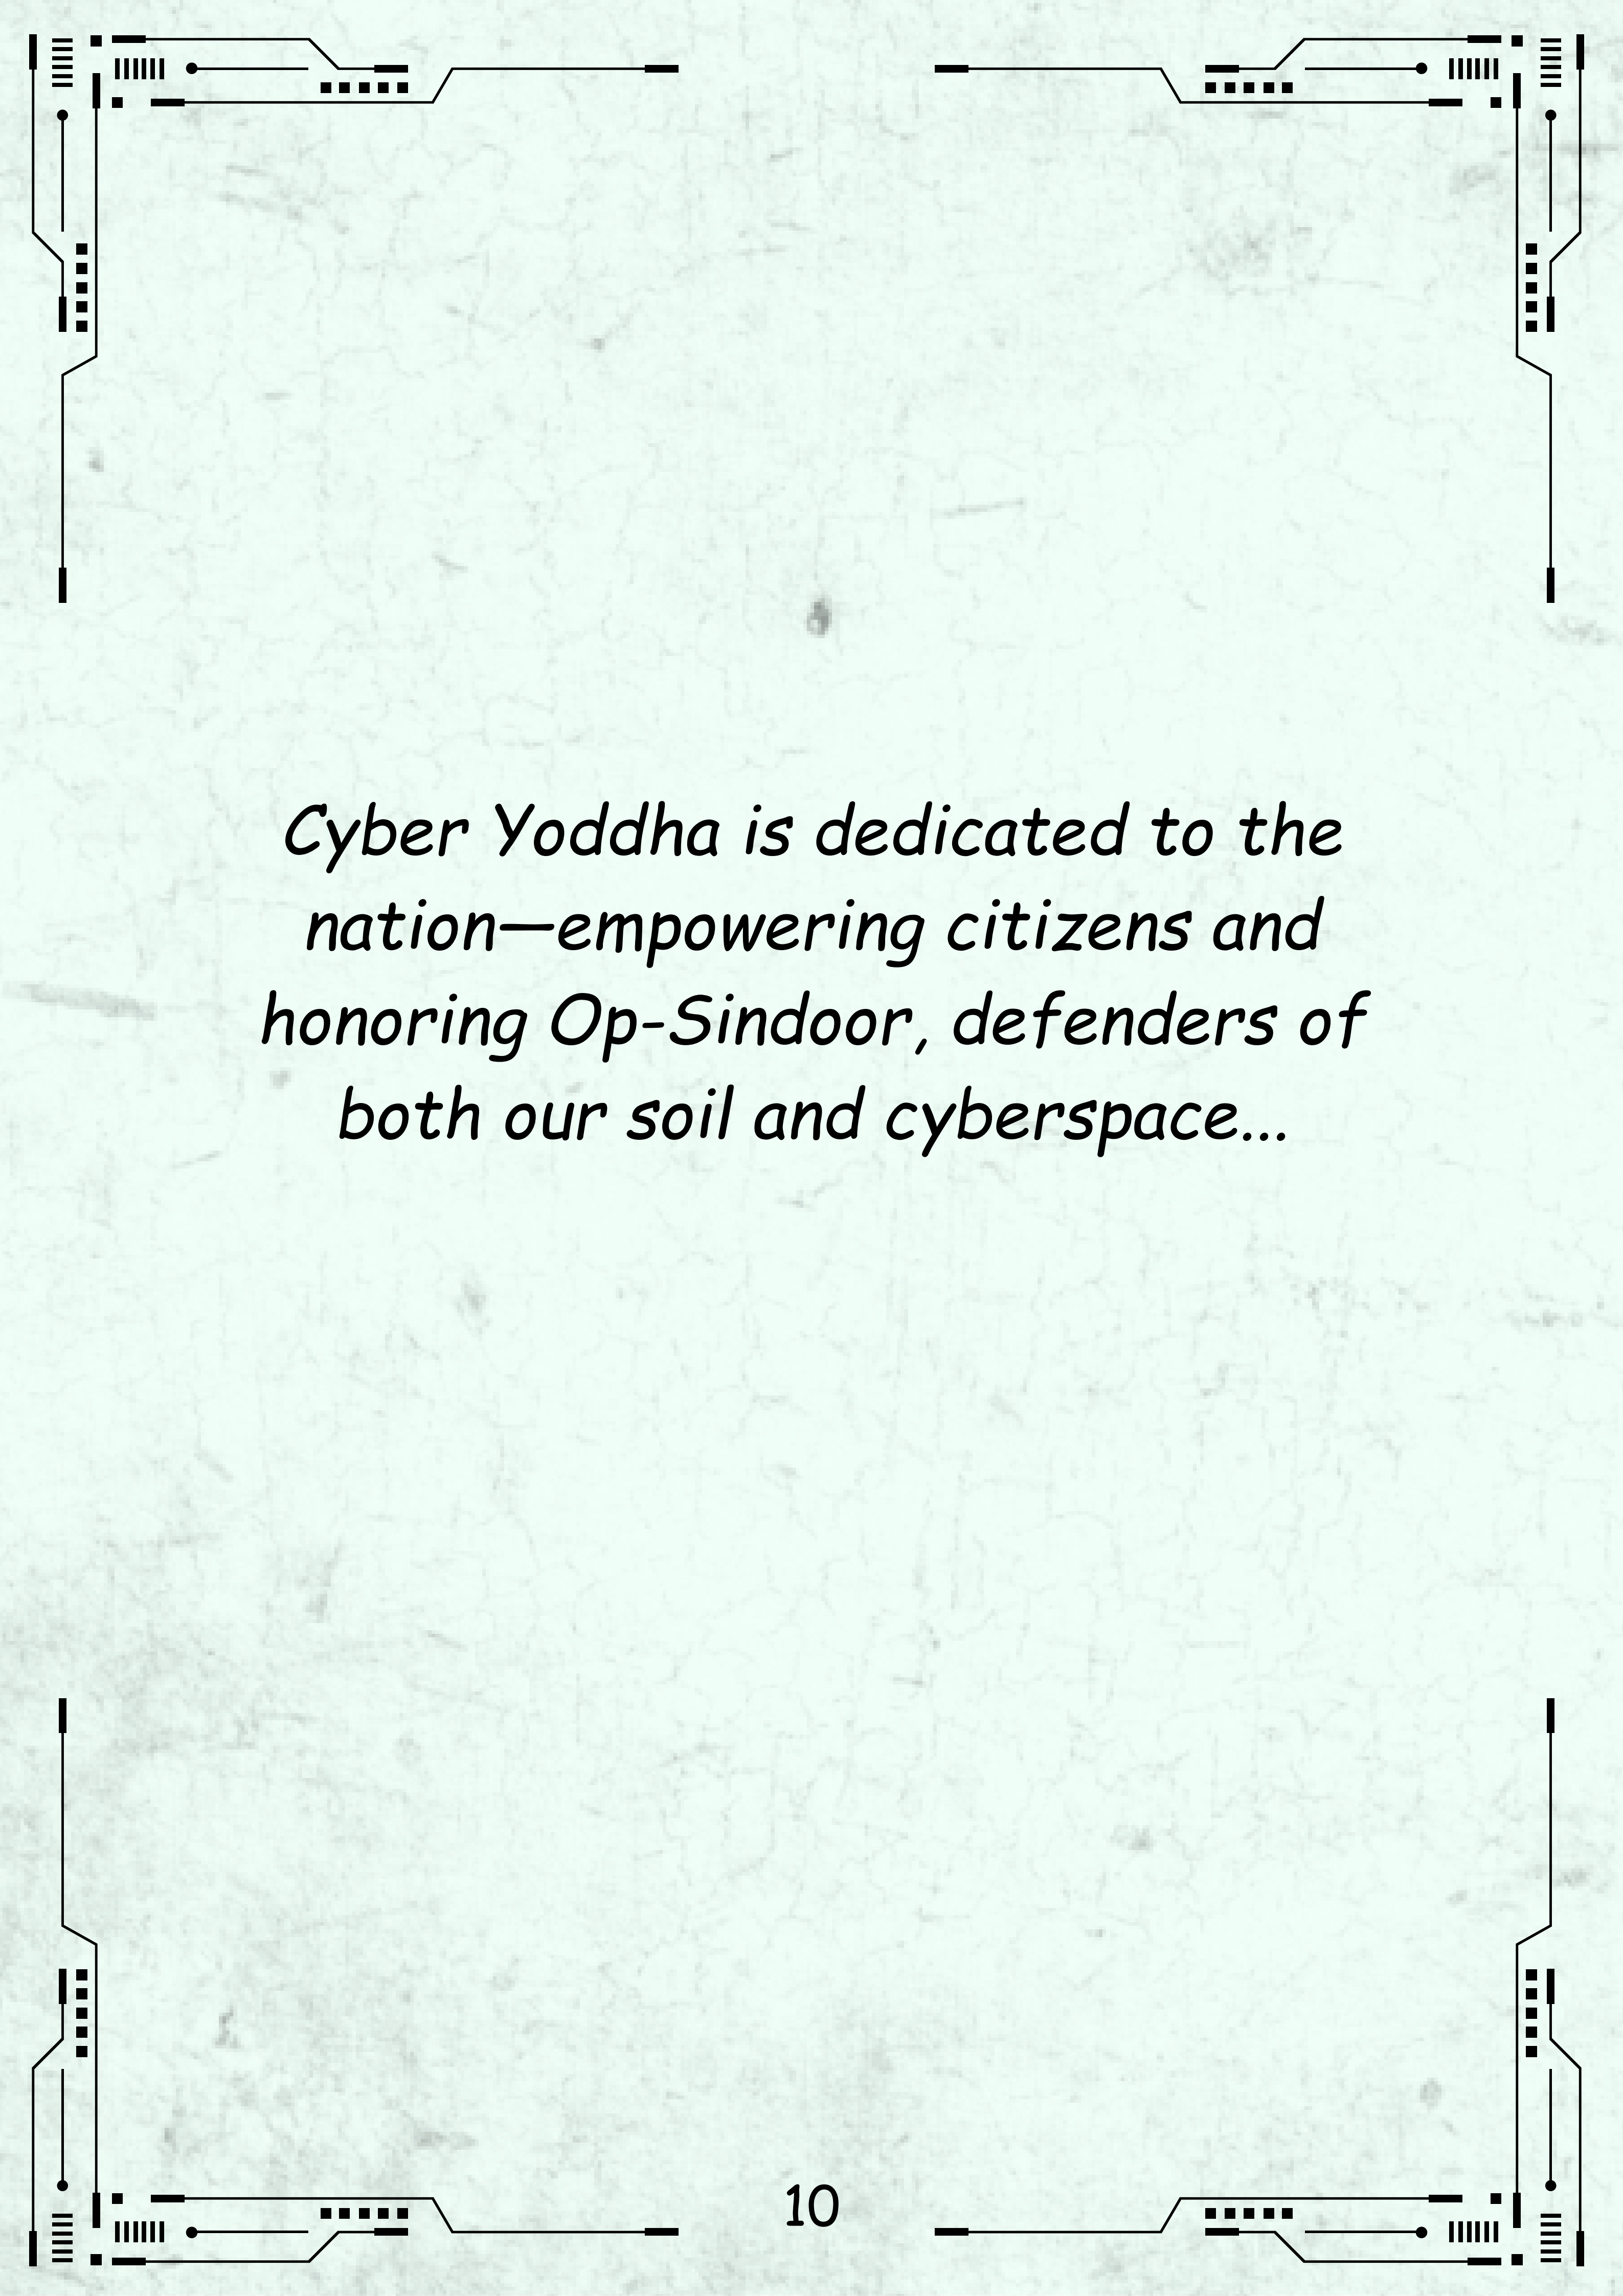

**YOURS — DATA
AND DISCIPLINE.**

*Cyber Yoddha is dedicated to the
nation—empowering citizens and
honoring Op-Sindoor, defenders of
both our soil and cyberspace...*

The new battlefield is digital.
Awareness and vigilance are
our strongest shields.
When technology meets
patriotism, every Bhartiya
becomes a true Cyber Yoddha.
